Alright, there are two romance plots in Episode 12 worth mentioning. I can't get sound WebMs from this episode, so you'll have to make do with stills.
The entire episode revolves around the "Homecoming Dance" (and all its dating shenanigans) and the "Homecoming Game". The Bulldogs are to play their big rivals, the Cobras. The Cobras are headed up by big, confident white boys who are portrayed as arrogant and overbearing - the usual "underdog gives established arrogant champions their comeuppance" plot.
Plot: Bella's Date
>just after the Cobras are introduced
>Bella is initially approached by a handsome confident white boy, is charmed
>White boy asks her to "hang out", then to the homecoming dance, Bella accepts
>turns out he's the captain of the Cobras, the opposing team
>all other characters (both male and female) repeatedly express stern disapproval
>Bella holds out anyway
>the Bulldogs beat the Cobras
>Bella excitedly goes up to handsome captain-boy with her "mom" (some kind of oversized corsage? idk about American mutations of things) on, excited for the dance after the game
>he can't handle that she beat him, breaks her heart on the spot
>Troy (black kid) swaggers up, asks her to the dance (after he talks at length about how popular he is and "I warned you about dating a cobra!")
>they are both immediately crowned Homecoming King and Queen!

>dating the handsome confident white man was a mistake Bella should not have made
>but dating the black man is immediately followed by recognition and successful awwwwww
