What a fucking rolemodel for young White male adolescents.

>>>2124228  
Emasculation so bad it's pure toxic, satanic poison. Makes me want to vomit.

It has to happen within, they won't listen to civilians and certainly nobody higher ranking than maybe a token lieutenant at most will be on here or godlike or whatever /pol/ tier website.

>>>2124266  
Dw i smoke the herbal jew aswell(netherlands) and it can be very useful.

>>>2124283  
>godlike or whatever /pol/ tier website.  
Sadly these are the only sorts of places where people will listen.

>>>2124321  
Last thing before i'm gone... I watched Barry Chamiah's video..I'm in tears. This is horrible. But we cannot give up. People such as ourselves will make the difference in the New World, that is an assurance you cannot chance to doubt. My God...Men such as Barry will not be forgotten ; They will be remembered in our speeches that enlighten and cull the people. Godbless everyone.

How about the Xhamster logo infused with the nickelodeon one?

>>>2124307  
Good luck mate, know that eventually this will all come crashing down through our ferocity. This fucking cancer must end.

>>>2124314  
I suppose any porn cover that suggests cuck material with nickelodeon logo's or bella and the bulldogs logo's superimposed over them would do. Although I don't envy anyone who has to trawl for those covers. I suppose you could use that porn star the nigger creator of the show likes. Taylor dane was it?

>>>2124228  
what the fuck is up with that accent

>>>2124306  
You do know that the troll is charlies mom right and Uncle jack is the Nightman.  
Quick question for /pol/.....  
why don't we just kill these mother fuckers already? Why are we just standing around with our thumbs up our asses? We already know where the creator of this show lives.

>>>2124326  
You could use the nickelodeon split logo as a sort of cumstain on some facial shot of a porn star and then throw some text at the bottom. Nick kids, porn from beyond the pale, the series! Bella and the bull...shit like that. Worded better obviously.

>>>2124337  
Everyone could type in the same search terms in google for bella and the bull as a dysfunctional vehicle for paraphilias, fetishes or whatever. I did Bella and the bulldogs perverse in google and pol is number two obviously. We need to bump it higher on a regular search if possible.

>>>2124364  
Notice that he's eating the chocolate ice cream instead of the others.

>>>212338  
Not to reveal my degeneracy level, but surely the keys on the necklace are much more obviously a reference to chastity belts and keyholding, keys often worn on a necklace, which is part of cuckolding.

>>>2124344  
Some good text for a graphic might be, Bella and the Bulldogs, a television series derived from a porn genre so foul even your weird ass wouldn't watch it. For Kids!

>>>2124360

You all could have won so easily, just by causing a stir that this guy had made very sexual films before.  
But you're overreaching with your insane conspiracy theories, thinking that almost every episode is crammed full of symbolism to covertly brainwash children

>>>2124353  
I think that in this case, it's to reinforce black=big and white=small. She wouldn't be wearing two keys if it were the case.

>>>2124382  
we'll see

>>>2124366  
"thinking that almost every episode is crammed full of symbolism to covertly brainwash children"  
The first episode is quite blatant. From what I've seen the interests of the director of the cuckold movie carries well into the series and it is easily observable. If you can't handle moments or episodes that aren't basically shot for shot, esoteric and intense recreations of fetish scenes in order to say that yes the show, on the whole is a vehicle for sexually degenerate themes. Then I say you aren't really equipped for big boy talk. That or you're a shill (psst I know you're a shill).

>>>2124388  
What exactly am I missing in the first episode that is, in any way, fetish material?

>>>2124399  
The whole thing. Is this guy a jew? I assume he is a jew. The jews are ALWAYS behind this shit. It is never not the jews. They control the media and they are doing this because they want to destroy us. Do you really not understand? Haven't you been paying attention you maniac????

>>>2124399  
This is the fourth posting on this subject. The previous 3 each had 751 posts all about these things and you want me to write a small essay for you including all the screen caps, graphics and writings? Go read it yourself.
