No paypal / debit card / credit card
required whatsoever. Code is
delivered by e-mail.

*This guide can also be used to earn 1,600 Microsoft Points if
you are interested in Minecraft: Xbox 360 Edition

INTRODUCTION

By following these steps, you **WILL** earn a Minecraft Premium gift code (or enough Microsoft points to buy Minecraft: Xbox 360 edition). Be aware that this is a **LEGITIMATE** way to earn yourself a gift code (or Microsoft points), therefore it does require a bit of work on your part, but in the long run it will be worth it.

STEP ONE

[REGISTER ON POINTS2SHOP](#)

[Points2Shop](#) is a site where you are rewarded with points for completing surveys, watching commercials, and/or signing up for offers (such as e-mail newsletters). The points you earn can be exchanged for various rewards, including a Minecraft premium gift code, which costs **2,700 points** (If you are interested in Minecraft: Xbox 360 edition, you'll need only **2,000 points**). You are given **250 points** just for registering, which is completely free.

STEP TWO

COMPLETE OFFERS

There are many extremely easy offers on [Points2Shop](#) that you can complete to earn points. Hover your mouse over the text “Earn Points” in the top-left corner and select “EARN POINTS - COMPLETE SURVEYS, WATCH VIDEOS OR OTHER TASKS & EARN POINTS”:

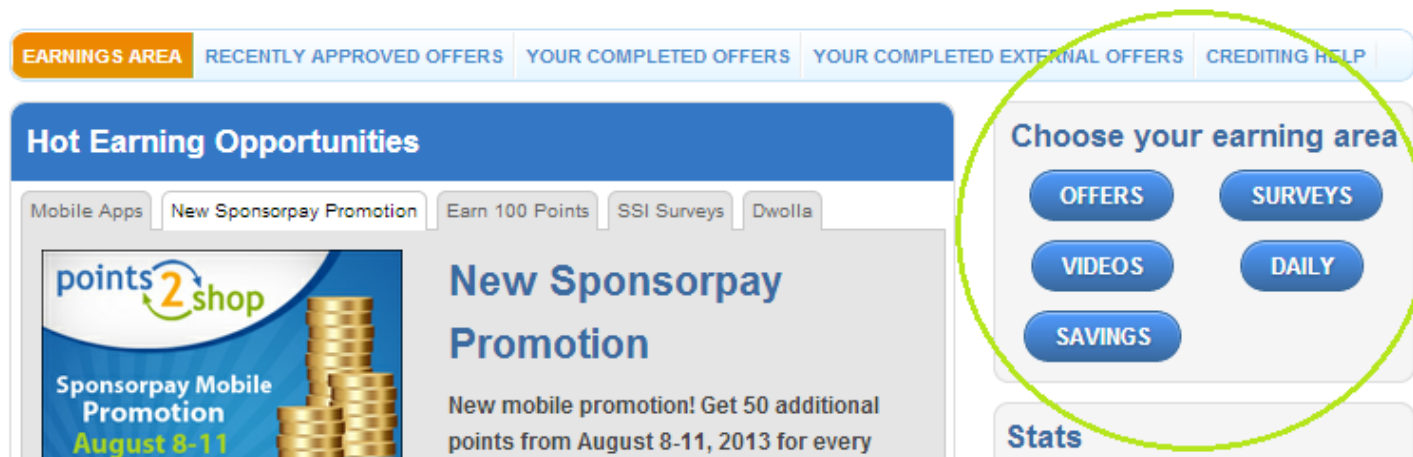

The screenshot shows the Points2Shop website interface. At the top, a navigation bar includes links: EARN POINTS (highlighted with a green circle), SPEND POINTS, REFER OTHERS, GAMES, COMPETE, ACCOUNT, FORUM, and SUPPORT. Below this, a sidebar menu on the left shows 'EARN POINTS' with a sub-option 'COMPLETE SURVEYS, WATCH VIDEOS OR OTHER TASKS & EARN POINTS' (also highlighted with a green circle). The main content area is titled 'EARNING OPPORTUNITIES' and contains a table with two columns: 'Earnings Area' and 'Mobile Apps'. The table lists various earning opportunities: P2S Offers, Surveys, uSamps' Surveys, SSI Surveys, Invite Friends, Peanutlabs, Trialpay, RadiumOne, Recurring Tasks, and Sponsorpay Videos. To the right of the table, there is an 'OTHER' section with links: Recently Approved, Invite Friends, Play Games, and Freebies.

Earnings Area	Mobile Apps	Recently Approved
P2S Offers	Peanutlabs	Invite Friends
Surveys	Trialpay	Play Games
uSamps' Surveys	RadiumOne	Freebies

On the right side of the “Earnings Area” page, you’ll see a selection of different ways to earn points:

The screenshot shows the 'Earnings Area' page on Points2Shop. At the top, a navigation bar includes links: EARNINGS AREA (highlighted with a green circle), RECENTLY APPROVED OFFERS, YOUR COMPLETED OFFERS, YOUR COMPLETED EXTERNAL OFFERS, and CREDITING HELP. Below this, the main content area is titled 'Hot Earning Opportunities' and features a 'New Sponsorpay Promotion' banner. To the right, a sidebar menu titled 'Choose your earning area' contains buttons for OFFERS, SURVEYS, VIDEOS, DAILY, and SAVINGS (all highlighted with a green circle). Below the sidebar, there is a 'Stats' section.

Stats

- **“OFFERS”** contains offers such as signing up for websites, subscribing to newsletters, downloading and installing software, and other similar small tasks.

- **“SURVEYS”** take time, but they are a good way to earn a nice amount of points.
- **“VIDEOS”** are extremely EASY way of earning points, since you can just start the video and minimize it and do something else until you get credited with points. When you’ve finished watching all the videos available, you may check again the next day, as they are usually replenished daily (especially videos found in the “Virool” section).
- **“DAILY”** is a place where you can find new tasks which can be completed each day.
- **“SAVINGS”** will get you points for printing coupons and signing up for trial offers.

If you complete an offer that gives you cash instead of points, you can always convert the cash to points by using the **“Convert Cash to Points”** option located under the **“SPEND POINTS”** section at the top:

EARN POINTS	SPEND POINTS	REFER OTHERS	GAMES	COMPETE	ACCOUNT	FORUM	SUPPORT

(\$1.00 is equivalent to 100 points)

STEP THREE

GET VERIFIED

In order to request the Minecraft premium gift code (or Microsoft points), you will need to verify your address by having any item shipped to you. The best way to go about doing this is to order something from the **“Low-Cost Rewards”** section which can be found by hovering the mouse over **“SPEND POINTS”** at the top:

EARN POINTS	SPEND POINTS	REFER OTHERS	GAMES	COMPETE	ACCOUNT	FORUM	SUPPORT
 SPEND POINTS REDEEM YOUR POINTS FOR REWARDS AT AMAZON.COM! The cheaper the item you order, the less points you will need to use to get verified, therefore I recommend ordering the cheapest item, which are stickers:

STEP FOUR

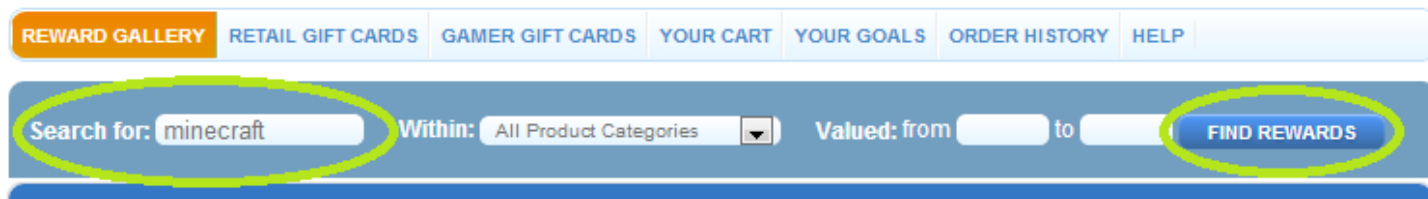

REQUEST GIFTCODE OR MICROSOFT POINTS

Once you are verified and have enough points saved up, you can now request your Minecraft premium giftcode or Microsoft points. Hover your mouse over “SPEND POINTS” at the top, and then click “SPEND POINTS – REDEEM YOUR POINTS FOR REWARDS AT AMAZON.COM”:

Type the word “minecraft” in the “Search for:” section, then click “FIND REWARDS”:
