# Remote upload from MediaFire

Make Sure that the Games/Movies/TV Shows are **Really Famous**.

## Games 1 Games 2

More downloads links from MediaFire you can find on Google.

Then go to the upload section HotFile's (Main site) and click to the Remote upload. Paste the download links into Remote Upload section and click the upload button

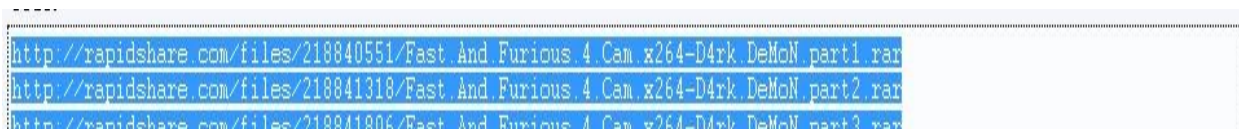

## Remote upload from RapidShare

Several references to the Rapidshare download links:

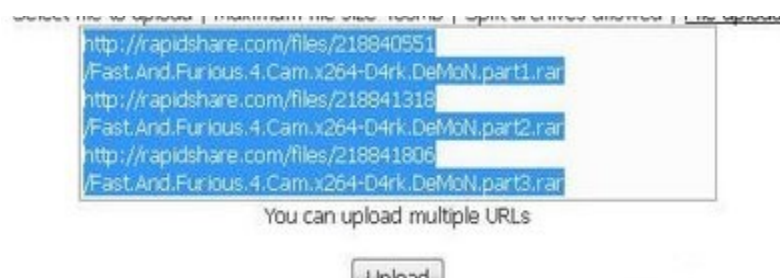

[rapidsharelinkers.com](http://rapidsharelinkers.com) [warez-bb.org](http://warez-bb.org)

More downloads links from RapidShare you can find on Google.

**Now copy the download links...**

Then go to the upload section HotFile's (Main site) and click to the Remote upload. Paste the download links into Remote Upload section

**Do not click the upload button yet**  
**Now you have to write into download links your RapidShare code.**

**And now click the upload button.**  
**Now you have you HotFile download links.**

## Remote upload from MegaVideo

**Check for a Few Latest Movies/TV Show Episodes download course on the large online recording distribution sites.**

[SurfTheChannel](#)

[TV Shack](#)

[QuickSilverScreen](#)

**If you got it, and you hit a MegaVideo Premium Account utter the  
DOWNLOAD ORIGINAL button.**

**And double the (direct) download unification into HotFile's Remote  
upload section.**

Select file to upload | Maximum file size 400Mb | Split archives allowed | [File upload](#)
