Jewish Control of Nations

Let's be honest with ourselves, here, fellow Jews. We do control the media. We've got so many dudes up in the executive offices in all the big movie production companies it's almost obscene. Just about every movie or TV show, whether it be "Tropic Thunder" or "Curb Your Enthusiasm," is rife with actors, directors, and writers who are Jewish. Did you know that all eight major film studios are run by Jews? But that's not all. We also control the ads that go on those TV shows.

The time has come, though. We no longer have to change our names. We no longer have to blend in like chameleons. We own a whole freaking country. — Manny Friedman✪, [Times of Israel](#), July 1, 2012

Jews totally run Hollywood.

The Jews are so dominant, I had to scour the trades to come up with six Gentiles in high positions at entertainment companies. When I called them to talk about their incredible advancement, five of them refused to talk to me, apparently out of fear of insulting Jews. The sixth, AMC President Charlie Collier, turned out to be Jewish. As a proud Jew, I want America to know about our accomplishment. Yes, we control Hollywood.

But I don't care if Americans think we're running the news media, Hollywood, Wall Street or the government. I just care that we get to keep running them. —
Joel Stein✧, [Los Angeles Times](#), December 19, 2008

This whole Jewish world, comprising a single exploiting sect, a kind of blood sucking people, a kind of organic destructive collective parasite, going beyond not only the frontiers of states, but of political opinion, this world is now, at least for the most part, at the disposal of Marx on the one hand, and of Rothschild on the other... This may seem strange. What can there be in common between socialism and a leading bank? The point is that authoritarian socialism, Marxist communism, demands a strong centralisation of the state. And where there is centralisation of the state, there must necessarily be a central bank, and where such a bank exists, the parasitic Jewish nation, speculating with the Labour of the people, will be found. —
[Mikhail Bakunin](#), Russian revolutionary anarchist

The greatest danger to this country lies in their large ownership and influence in our motion pictures, our press, our radio and our government. —
Charles A. Lindberg, Speech at Des Moines, Iowa, September 11, 1941

It makes no sense at all to try to deny the reality of Jewish power and prominence in popular culture. Any list of the most influential production executives at each of the major movie studios will produce a heavy majority of recognizably Jewish names. — Michael Medved, *The American Moment Magazine*, Aug. 1996

Hollywood is run by Jews; it is owned by Jews-and they should have a greater sensitivity about the issue of people who are suffering. Because... we have seen... the greaseball, we've seen the Chink, we've seen the slit-eyed dangerous Jap, we have seen the wily Filipino, we've seen everything but we never saw the kike. Because they knew perfectly well, that that is where you draw the [line]. —
Actor [Marlon Brando](#), [Larry King Live](#), April 5th 1996

There are so many Jews at the top of Britain's Conservative party, that it should be known as the Torah party rather than the Tory party. — David Cameron✧ quoted in a [Times of Israel article](#), 2013.

Some 80 per cent of all Tory MPs are members, including most Cabinet ministers. No other lobbying organisation – and certainly not one that acts in the interests of a foreign country – carries as much weight at Westminster...

There is no doubt that the CFI [Conservative Friends of Israel] has exercised a powerful influence over policy. The Conservative politician and historian Robert Rhodes James, writing in the Jerusalem Post in 1995, called it the largest organisation in Western Europe dedicated to the cause of the people of Israel. Its power has not waned since. — Peter Osborne writing in the Telegraph article: ["The cowardice at the heart of our relationship with Israel"](#), December 12, 2012

While nobody is suggesting, I hope, that Jews have no place in our law-making, it is not unreasonable to wish the number to reflect their presence in the population. Three years ago the Jewish Chronicle published a list of Jewish MPs in Britain's Parliament, naming 24. The Jewish population in the UK at that time was – and probably still is – around 280,000 or just under 0.5 per cent. There are 650 seats in the House of Commons so, on a proportional basis, Jews could expect three seats. But with 24 they were eight times over-represented. Which meant, of course, that other groups were under-represented.

The UK's Muslim population is about 2.4 million or nearly 4 per cent. Similarly, their quota would be 25 seats but they had only eight – a serious shortfall. If Muslims were over-represented to the same extent as Jews (i.e. eight times) they'd have 200 seats. Imagine the hullabaloo. — Stuart Littlewood, [Cameron's 'Torah' government](#), June 29, 2013

Every time we do something you tell me America will do this and will do that . . . I want to tell you something very clear: Don't worry about American pressure on Israel. We, the Jewish people, control America, and the Americans know it. — Israeli Prime Minister, Ariel Sharon☆, October 3, 2001, to Shimon Peres, as reported on Kol Yisrael radio.

I'm saying this to you right now, Israel gets approximately 15 billion dollars a year from the American taxpayers. That 15 billion is \$30,000 for every [Israeli] man, woman and child. [American] People in my district are losing their pension benefits.

... I believe that Israel has a powerful stranglehold on the American government. They control both members of the house; the house and the senate. They have us involved in wars in which we have little or no interest. Our children are coming back in body bags. Our nation is bankrupt over these wars, and if you open your mouth you get targeted. If they don't beat you at the poll, they'll put you in prison.

... They're controlling much of our foreign policy. They're influencing much of our domestic policy. Wolfowitz under secretary of defense manipulated

president George W. Bush back into Iraq. They were definitely trying to get Bush into Iran. We're conducting expansionist policy of Israel, and everybody is afraid to say it. They control much of the media. They control much of the congress of the country. And they control powerfully both bodies of the congress. They own the congress. — James Traficant, former 17 year member of the US House of Representatives, speaking in an [interview with Gretta van Susteren](#). He was targeted by Israel in 2002, and falsely convicted of bribery. He spent 7 years in prison. He passed away September 27, 2014.

A woman came up to me after one of my book talks and said, "You realize what you're talking about is the Jews taking over America." My eyes bugged out, but then I realized that she was Jewish and she knew I was, too, and between us we could acknowledge there's a lot of truth in that statement. For the Jews were the vanguard of a social movement that over the course of the 20th century transformed the American university system and the nature of the American elite. — David Brooks✪, [The New York Times, November 6, 2005](#)

The U.S. has no longer a government of goyim [Gentiles], but an administration in which the Jews are full partners in the decision making at all levels. Perhaps the aspects of the Jewish religious law connected with the term 'government of goyim' should be re-examined, since it is an outdated term in the U.S. — The major Israeli newspaper, Maariv, "The Jews Who Run Clinton's Court" on September 2, 1994.

The United States Senate is subservient to Israel.... Israel controls the Senate... This has been demonstrated time and again, and this has made it difficult for the Government. — Democratic Senator J. William Fulbright on CBS TV in relation to Jewish power in America, April 15th, 1972

The role of the President of the United States is to support the decisions that are made by the people of Israel. — Ann Lewis, speaking for Hillary Clinton, at the meeting for Jewish Leadership sponsored by the United Jewish Communities on March 18, 2008

I am aware how almost impossible it is in this country to carry out a foreign policy not approved by the Jews. — John Foster Dulles, US Secretary of State under Dwight Eisenhower, Melvin Small, Democracy and Diplomacy: the Impact of Domestic Relations on U.S. Foreign Policy, 1789-1994, p. 100

Israel controls the United States Senate. — Senator J. William Fulbright, Chairman of the Senate Foreign Relations Committee, 1973 Bill Kaufman, America First!: Its History, Culture, and Politics. Amherst NY: Prometheus Books, p. 152.

Politics in America has become a Jewish profession, just like arts and the

law... — Ira Forman✡, executive director of the National Jewish Democratic Council, quoted in [The Jewish Daily Forward](#) March 20, 2008

Together, these advocates create a pro-Israeli case so compelling that the idea and reality of Israel has worked itself deep into American culture, politics and foreign policy. Many American Jews refuse to accept it, but the real debate between Israel's supporters and detractors in America is all but over. — Aaron David Miller on “Jews and Power” [Jewish Daily Forward](#) May 2008.

There is a permanent ruling class in this country, whatever they call themselves, no matter how they talk about change. They may not be very good at it, but there they are. ‘Meet the new boss,’ as the Who said, ‘same as the old boss.’ — Ben Stein✡, Jewish financial journalist, [‘Meet the New Boss same as the old Boss!’](#)

So far as the consequences of ticking off Jews are concerned: ... I was making particular reference to respectable rightwing journalism, most especially in the U.S. I can absolutely assure you that anyone who made general, mildly negative, remarks about Jews would NOT — not ever again — be published in the Wall Street Journal opinion pages, The Weekly Standard, National Review, The New York Sun, The New York Post, or The Washington Times. I know the actual people, the editors, involved here, and I can assert this confidently. — Joey Kurtzman✡, Jew editor of Jewcey.com.

We Jews are a sly and surreptitious people. It pains me to admit this, but candor compels. ...[T]he best way to bring America to its knees, to weaken its will to survive, to cleverly turn it against itself, was to do everything in our considerable arsenal of means to deliver the White House to Barack Obama. — David Solway✡, Jewish educational theorist and critic, [July 7, 2009](#)

What we in America call terrorists are really groups of people that reject the international system. — Henry Kissinger✡ in a [speech given in Istanbul, Turkey](#) on May 31, 2007

Today the Jews rule this world by proxy. They get others to fight and die for them.

We are up against a people who think. They survived 2,000 years of pogroms, not by hitting back but by thinking. They invented and successfully promoted socialism, communism, human rights and democracy so that persecuting them would appear to be wrong, so they may enjoy equal rights with others.

With these, they have now gained control of the most powerful countries and they, this tiny community, have become a world power. We cannot fight them through brawn alone. We must use our brains also. — Malaysia's former Prime

Minister Mahathir Mohamad at the [Organization of the Islamic Conference summit](#) in 2003 in Kuala Lumpur.

Europe's nations should be guided towards the super-state without their people understanding what is happening. This can be accomplished by successive steps, each disguised as having an economic purpose, but which will eventually and irreversibly lead to federation. — Jean Monnet☆, Founding Father Of The EU in a letter to a friend 30th April 1952.

Only three hundred men, who all know each other, govern the fate of Europe. They elect their successors from their entourage. These German Jews have the means in their hands of putting an end to the form of Government of any State which proves unreasonable. — Walter Rathenau☆, Plain English, late Dictator of Germany, a Jew, 1921

I think his task will be to develop an overall strategy for America in this period, when really a New World Order can be created. It's a great opportunity. It isn't such a crisis. — Henry Kissinger☆ made the remark in an [interview with CNBC's "Squawk on the Street" hosts Mark Haines and Erin Burnett](#) at the New York Stock Exchange, after Burnett asked him what international conflict would define the Obama administration's foreign policy.

This is an historic moment. We have in this past year made great progress in ending the long era of conflict and cold war. We have before us the opportunity to forge for ourselves and for future generations a new world order -- a world where the rule of law, not the law of the jungle, governs the conduct of nations. When we are successful -- and we will be -- we have a real chance at this new world order, an order in which a credible United Nations can use its peacekeeping role to fulfill the promise and vision of the U.N.'s founders. — President George Bush, [January 16, 1991](#)

Today Americans would be outraged if U. N. troops entered Los Angeles to restore order; tomorrow they will be grateful! This is especially true if they were told there was an outside threat from beyond, whether real or promulgated, that threatened our very existence. It is then that all people of the world will plead with world leaders to deliver them from this evil. The one thing every man fears is the unknown. When presented with this scenario, individual rights will be willingly relinquished for the guarantee of their well being granted to them by their world government. — Henry Kissinger☆, at the Bilderberg Conference in Evian, France May 21, 1992.

They [the Jews] work more effectively against us than the enemy's armies. They are a hundred times more dangerous to our liberties and the great cause we are engaged in. It is much to be lamented that each state, long ago, has not hunted them down as pests to society and the greatest enemies we have to the

I fully agree with General Washington, that we must protect this young nation from an insidious influence and impenetration. That menace, gentlemen, is the Jews. In whatever country Jews have settled in any great number, they have lowered its moral tone; depreciated its commercial integrity; have segregated themselves and have not been assimilated; have built up a state within a state; and when opposed have tried to strangle that country to death financially, as in the case of Spain and Portugal.

For over 1700 hundred years, the Jews have been bewailing their sad fate in that they have been exiled from their homeland, as they call Palestine. But, gentlemen, did the world give it to them in fee simple, they would at once find some reason for not returning. Why? Because they are vampires, and vampires do not live on vampires. They cannot live only amongst themselves. They must subsist on other people not of their race. If you do not exclude them from these United States in the Constitution, in less than 200 years they will have swarmed here in such great numbers that they will dominate and devour the land, and change our form of government, for which we Americans have shed our blood, given our lives, our substance, and jeopardized our liberty.

If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish them substance, while they will be in the counting houses rubbing their hands. I warn you, gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves.— Benjamin Franklin, at the Constitutional Convention of 1787 in Philadelphia

We French believe that we know all about the forces of our planet. But we know nothing about the most terrific of them. These are in the hands of 7 men, whose names our masses could not even rightly spell. These men, more powerful than Ceasar or even Napoleon, rule the fate of the Globe. These men rule the Chiefs of States, control and subdue the governing personages, manipulate the exchanges and incite or suppress revolutions.— Stephane Lausanne, Editor of “Matin”, Paris, 1923

I had on my arrival (at St. Petersburg) an interview with the Russian Minister of Finance, Count Canerin; I beheld the son of a Lithuanian Jew.... I had an audience on my arrival at Madrid with the Spanish minister; I beheld one like myself, the son of a Nuovo Cristiano, a Jew of Aragon. In consequence of that transpired at Madrid I went straight to consult the President of the French Council; I beheld the son of a French Jew.... We fixed on Prussia.... Count Arnim entered the cabinet, and I beheld a Prussian Jew. So you see, my dear Coningsby, that the world is governed by very different personages to what is imagined by those who are not behind the scenes.— Benjamin Disraeli☆, Jewish Prime Minister of England, in Coningsby, p. 207-209, 1844

England is no longer controlled by Britons. We are under the invisible Jewish dictatorship- a dictatorship that can be felt in every sphere of life.— Nesta Webster, Germany and England, 1938

The conscious and intelligent manipulation of the organized habits and opinions of the masses is an important element in democratic society. Those who manipulate this unseen mechanism of society constitute an invisible government which is the true ruling power of our country.— Edward Louis Bernays☆, “Propaganda” 1928. Jew Bernays was a nephew of Sigmund Freud.

The US shouldn't give high clearances to Jews, because when asked to help, we're willing to do anything for the love of our country, Israel.— Jew Spy Jonathan Pollard☆ during interrogation by the FBI. Make note that Pollard was born in the US and his spying put America in serious nuclear risk back in the 1980's.

International Finance is controlled by great Jewish money lenders and Communism is being propagated by Jewish agitators who are at one fundamentally with the powerful capitalists of their race in desiring an international world order, which would, of course, give universal sovereignty to the only international race in existence (the Jews). — William Joyce, 1937

The House of Rothschild was (and is) the ruling power in Europe, for all the political powers were willing to acknowledge the sway of the great financial DESPOT, and like obedient vassals, pay their tribute without murmur. — J. Reeves, The Rothschilds, p. 105

No Rothschild is English... No Baruch, Morgenthau, Cohen, Lehman, Warburg, Kuhn, Kahn, Schiff, Sieff or Solomon was ever born Anglo-Saxon. And it is for this filth that you fight. It is for this filth that you murdered your Empire. It is this filth that elects, selects, your politicians. — Ezra Pound, March 15, 1942 radio broadcast

I care not what puppet is placed upon the throne of England to rule the Empire on which the sun never sets. The man who controls Britain's money supply controls the British Empire, and I control the British money supply. — Baron Nathan Mayer Rothschild☆. London Jewish financier, one of the founders of the international Rothschild banking dynasty.

If my sons did not want wars, there would be none.— Gutle Schnaper☆, Mayer Amschel Rothschild's wife on her deathbed in 1849.

It is will enough that people of the nation do not understand our banking and monetary system, for if they did, I believe there would be a revolution

before tomorrow morning. — Henry Ford, 1922

I am afraid the ordinary citizen will not like to be told that the banks can, and do, create money...And they who control the credit of the nation direct the policy of Governments and hold in the hollow of their hands the destiny of the people. — Reginald McKenna, former Chancellor of the Exchequer, January 24, 1924

The Rothschilds introduced the rule of money into European politics. The Rothschilds were the servants of money who undertook the reconstruction of the world as an image of money and its functions. Money and the employment of wealth have become the law of European life; we no longer have nations, but economic provinces. — New York Times, Professor Wilhelm, a German historian, July 8, 1937

When the Federal Reserve Act was passed, the people of these United States did not perceive that a world banking system was being set up here. A superstate controlled by [Jewish] international bankers and industrialists acting together to enslave the world for their own pleasure. Every effort has been made by the Fed to conceal its powers but the truth is the Fed has usurped the government.— Congressman Louis McFadden, upon the passage of the Federal Reserve bill. *The Unseen Hand*, p. 182.

The Federal Reserve System virtually controls the nation's monetary system, yet it is accountable to no one. It has no budget; it is subject to no audit; and no Congressional Committee knows of, or can truly supervise, its operations.— Professor Murray N. Rothbard☆, economist, and academic advisor of the Ludwig von Mises Institute.

June 4 1963 President Kennedy signed Executive Order 11110, which returned to the American government the ability to print it's own currency again, without having to deal with the Federal Reserve.

The answer to the Kennedy assassination is with the Federal Reserve Bank. Don't underestimate that. It's wrong to blame it on [CIA official James Angleton and the CIA] per se only. This is only one finger of the same hand. The people who supply the money are above the CIA.'— Wife of accused assassin Lee Harvey Oswald, told to author A. J. Weberman

One thing to realize about our fractional reserve banking system is that, like a child's game of musical chairs, as long as the music is playing, there are no losers.— Andrew Gause, Monetary Historian

The modern banking system manufactures money out of nothing. The process is perhaps the most astounding piece of sleight of hand that was ever

invented. Banking was conceived in inequity and born in sin. Bankers own the earth. Take it away from them but leave them the power to create money, and, with a flick of a pen, they will create enough money to buy it back again. Take this great power away from them and all great fortunes like mine will disappear, for then this would be a better and happier world to live in. But, if you want to continue to be the slaves of bankers and pay the cost of your own slavery, then let bankers continue to create money and control credit.— Josiah Stamp, Director, Bank of England 1928-1941

We now live in a nation where doctors destroy health, lawyers destroy justice, universities destroy knowledge, governments destroy freedom, the press destroys information, religion destroys morals, and our banks destroy the economy.— Chris Hedges

There is no United States as people think of it. It's just a puppet in the Jews' hands. It's a plaything for the Jews. . . The US government and American Jewry are virtually interchangeable. . . They're lying bastards. Jews were always lying bastards throughout their history. They're a filthy, dirty, disgusting, vile, criminal people. . . They're just unbelievably wicked bastards. — Bobby Fischer, World Chess Champion, Speaking on Bombo Radyo, Philippines

Jewish False Flags & Foreign Policy

By way of deception, thou shall do war. — Motto of the Mossad; Israeli intelligence organization.

It may be that Turkey will refuse us or will be unable to understand us. This will not discourage us, we will seek other means to accomplish our end. The 'orient question' is now a question of the day. Sooner or later it will bring about a conflict among nations. The great European war must come. With my watch in hand do I await this terrible moment. After the great European war is ended, the peace conference will assemble. we must ready for that time. — Theodor Herzl✡, 1897 (before the First World War)

World War I broke out in the summer of 1914. Within two years, Germany had won that war... the Zionists in Germany, who represented the Zionists from Eastern Europe, went to the British War Cabinet and -- I am going to be brief because this is a long story, but I have all the documents to prove any statement that I make if anyone here is curious, or doesn't believe what I'm saying is at all possible-- the Zionists in London went to the British war cabinet and they said: "Look here. You can yet win this war. You don't have to give up. You don't have to accept the negotiated peace offered to you now by Germany. You can win this war if the United States will come in as your ally." the United States was not in the war at that time. We were fresh; we were young; we were rich; we were powerful. they (Zionists) told England: "We will guarantee to bring the United States into this war as your ally, to fight with

you on your side, if you will promise us Palestine after you win the war. — Benjamin Freedman ☆, Jewish Defector

Israel years ago, during one of the wars, killed 30 or 40 Americans on a spy ship in the Western Mediterranean. The Americans tried to cover it up. It wasn't a mistake. It was deliberate.

Asked by Faine if he agreed that "the pro-Israel and in particular Jewish community lobby in Australia wielded too much power", Fraser responded, "They certainly do."

The Jewish community seek to get Australia to support policies as defined by Israel. — Former Australian Prime Minister Malcolm Fraser ☆, [Speaking to hosts Jon Faine and Professor Damien Kingsbury of Deakin University, on the May 9, 2014 The Conversation Hour show.](#)

Regarding what took place on September 11th, well it's very good... it will generate immediate sympathy for Israel. — Israeli Prime Minister, Benjamin Netanyahu ☆, 2001

I remember getting a call from the fire department commander, telling me that they were not sure they were gonna be able to contain the fire, and I said, 'We've had such terrible loss of life, maybe the smartest thing to do is pull it.' And they made that decision to pull and we watched the building collapse. — Larry Silverstein ☆ [discussing WTC 7](#) and his decision to activate the explosives that were already in the building before the fire started. It was the 3rd building to collapse on 9/11 from controlled demolition.

This was an insane war that brought us low economically, morally, We went to war against a guy who had absolutely nothing to do with 9/11. It was a total pretext! It's inexplicable and there you go to Cheney, there you go to Bush, there you go to the Jewish neo-cons who wanted to remake the world. Maybe I can say that because I'm Jewish. — Journalist Carl Bernstein ☆ speaking in the [Joe Scarborough show on NBC](#) during a debate over the Bush legacy.

Tony Blair had surrounded himself with a cabal of Jewish advisers who are skewing British foreign policy on the Middle East in favour of the Israeli Government. — Tam Dalyell, a veteran left wing member of Britain's House of Commons. [The Scotsman, May 4, 2003](#)

US Senator Ernest Hollings said in May 2004 that the US invaded Iraq "to secure Israel," and "everybody knows it" — ["Bush's Failed Mideast Policy is Creating More Terrorism," Charleston Post and Courier, May 14, 2004](#)

“nobody is willing to stand up and say what is going on.” Due to “the pressures we get politically,” he said, members of Congress uncritically support Israel and its policies” – [Congressional Record – Senate, May 20, 2004, pages S5921-S5925.](#)

If it were not for the strong support of the Jewish community for this war with Iraq, we would not be doing this. – [US congressman Jim Moran](#)

“Those who favour this attack [by the US against Iraq] now will tell you candidly, and privately, that it is probably true that Saddam Hussein is no threat to the United States. But they are afraid at some point he might decide if he had a nuclear weapon to use it against Israel” – In August 2002, retired four-star US Army General and former NATO Supreme Allied Commander Wesley Clark☆ revealed the truth in an [interview in the Guardian newspaper in London](#)

The war in Iraq was conceived by 25 neoconservative intellectuals, most of them Jewish, who are pushing President Bush to change the course of history – [“White Man’s Burden,” Ha’aretz, April 3, 2003](#)

[Jewish/Israeli controlled government of] America is using ISIS in three ways: to attack its enemies in the Middle East, to serve as a pretext for U.S. military intervention abroad, and at home to foment a manufactured domestic threat, used to justify the unprecedented expansion of invasive domestic surveillance. – Garikai Chengu

Jewish Supremacism

Goyim were born only to serve us. Without that, they have no place in the world – only to serve the People of Israel. Why are gentiles needed? They will work, they will plow, they will reap. We will sit like an effendi [master] and eat. That is why gentiles were created. With gentiles, it will be like any person: They need to die, but God will give them longevity. Why? Imagine that one’s donkey would die, they’d lose their money. This is his servant. That’s why he gets a long life, to work well for this Jew. – Rabbi Ovadia Yosef☆, [Jerusalem Post](#), October 10, 2010. Yosef was the former Sephardi Chief Rabbi in the Jewish state, and was the spiritual leader of the Knesset party Shas. He was known to be an important authority on Jewish law.

The Jew ... Judaizes ... he provokes religious indifference, but he also imposes on those whose faith he destroys, his own concept of the world, of morality, and of human life ... The Jews detests the spirit of the nation in the midst of which they live. – Bernard Lazare☆, Antisemitism

We Jews, we are the destroyers and will remain the destroyers. Nothing you

can do will meet our demands and needs. We will forever destroy because we want a world of our own. — Maurice Samuel✠, [You Gentiles](#) (1924)

Jew and Gentile are two worlds, between you Gentiles and us Jews there lies an unbridgeable gulf... There are two life forces in the world: Jewish and Gentile...I do not believe that this primal difference between Gentile and Jew is reconcilable... — Maurice Samuel✠, [“You Gentiles”](#), page 9.

Well, it's a trick, we always use it. When from Europe somebody is criticizing Israel, then we bring up the Holocaust. When in this country people are criticizing Israel, then they are anti-Semitic. And the [Jewish] organization is strong, and has a lot of money, and the ties between Israel and the American Jewish establishment are very strong and they are strong in this country, as you know. And they have power, which is OK. They are talented people and they have power and money, and the media and other things, and their attitude is 'Israel, my country right or wrong,' identification. And they are not ready to hear criticism. And it's very easy to blame people who criticize certain acts of the Israeli government as anti-Semitic, and to bring up the Holocaust, and the suffering of the Jewish people, and that is justify everything we do to the Palestinians. — Shulamit Aloni✠, former Israeli minister, [Democracy Now](#), August 14, 2002

If every simple cell in a Jewish body entails divinity, is a part of God, then every strand of DNA is a part of God. Therefore, something is special about Jewish DNA.

If a Jew needs a liver, can you take the liver of an innocent non-Jew passing by to save him? The Torah would probably permit that. Jewish life has an infinite value. There is something infinitely more holy and unique about Jewish life than non-Jewish life. — Rabbi Yitzhak Ginsburg✠, Jewish Week, April 26, 1996

Any trial based on the assumption that Jews and goyim are equal is a total travesty of justice. — Rabbi Yitzhak Ginsburg✠, June 6, 1989

Here in the Land of Israel, an Arab has no right to exist. [The Jewish terrorist Baruch] Goldstein's deed [killing 29 Muslims] constitutes a fulfillment of a number of com-mandments of Jewish law...[including] taking revenge on non-Jews. — Rabbi Yitzhak Ginsburg✠, Ha'aretz, Israel, Nov. 05, 2003

I am sorry not only about dead Arabs but also about dead flies. — Rabbi Moshe Levinger✠, cited in Jewish Fundamentalism in Israel by Israel Shahak

We have to kill all the Palestinians unless they are resigned to live here as

slaves. — Chairman Heilbrunn✡ of the Committee to Re-elect General Shlomo Lahat as mayor of Tel Aviv, 1983.

In 2010, as Obama's called for talks between Netanyahu and Abbas, Ovadia Yosef called Palestinians "evil, bitter enemies of Israel" and said "Abu Mazen and all these evil people should perish from this world. God should strike them with a plague, them and these Palestinians." Saeb Erekat of PLO said Yosef's remarks were tantamount to a call for "genocide against Palestinians." Previously Yosef had called Arabs as "vipers," and called for Israel to "annihilate" Arabs. "It is forbidden to be merciful to them. You must send missiles to them and annihilate them. They are evil and damnable." — Rabbi Ovadia Yosef✡, [‘Leading rabbi: Abbas should perish’](#)

The only thing that can deter terrorists, like those who kidnapped the children and killed them, is the knowledge that their sister or their mother will be raped. — Professor Kedar, from Bar- Ilan University's Department of Arabic advocated rape of innocent women on an Israeli nationally broadcast radio show, [according to a report in the Jewish Daily Forward.](#)

The difference between a Jewish soul and souls of non-Jews—all of them in all different levels—is greater and deeper than the difference between a human soul and the souls of cattle. — Rabbi Avraham Yitzhak Kook✡, once Chief Rabbi in Palestine, cited in Shahak, Jewish Fundamentalism in Israel

Kill [even] the good among the Gentiles. — Rabbi Shimon ben Yochai✡, quoted in Mechilta Midrash

The best of Gentiles should be killed just as the best of snakes should have their heads crushed. — Funk and Wagnalls Jewish Encyclopedia under Gentile p. 617

Getting close to gentiles is a sore evil, as we learn from their acts and – God forbid – eventually assimilate between them. When they get close, God separates between them by increasing the nations' hatred.

Polarization between the Jewish people and other nations is created by God in order to prevent mixed marriages. — The astonishing remarks were contained in a letter sent by rabbis Shteinman✡ and Kanievsky✡ to the participants of the Conference of European Rabbis, who are meeting in Belgrade this week, were described as a "highlight" of the event [by the Israeli news service Ynet News.](#)

Even if reason tells us, even shouts with all its force the very absurdity of this confrontation between the small and insignificant people of Israel [i.e, all Jewry worldwide, not just "the State of Israel"] and the rest of humanity... as

absurd, as incoherent and as monstrous as it may seem, we are engaged in close combat between Israel and the Nations – and it can only be genocidal and total because it is about our and their identities. — Yitzhak Attia✡, Israel Magazine, April 2003

Gentile souls are of a completely different and inferior order. They are totally evil, with no redeeming qualities whatsoever. Their material abundance derives from supernal refuse. Indeed, they themselves derive from refuse, which is why they are more numerous than the Jews. — Schneur Zalman of Liadi✡, founder of Chabad-Lubavitch

The body of a Jewish person, is of a totally different quality from the body of members of all other nations of the world. Bodies of the Gentiles are in vain. An even greater difference is in regard to the soul. A non-Jewish soul comes from three satanic spheres, while the Jewish soul stems from holiness. — Mendel Schneerson✡, influential Chabad rabbi

Accordingly, if we see an idolater (gentile) being swept away or drowning in the river, we should not help him. If we see that his life is in danger, we should not save him. — Maimonides✡, in Mishnah Torah

A Jew is intrinsically good. A Jew is a part of God above. Even if at times he strays it is not because he has become evil. It is only that there is evil within him that he has to cleanse. However, to separate with a million degrees of separation, a Gentile is an impure thing. The entire essence of the Gentile is evil and impure. Even if he occasionally does good deeds he does not thereby become good. As the Holy Light of Life says regarding Gentiles, even such a one who is very careful in his actions does not obtain any degree of holiness thereby.

As is also well known, even educated Gentiles who guarded themselves because of their clear understanding of what is right, nonetheless failed when they were tested, because a Gentile has no power for goodness within him.

On the contrary, the evil thoughts of Gentiles contaminate the world's atmosphere and create ordeals for Jewish children. As the Remnant for Pinchos says, the thoughts of Gentiles, even when they are dead, still linger in and contaminate the atmosphere.

He says that to be protected from this there is only one solution: to completely despise the thoughts of Gentiles and to realize that all their thoughts are only evil. Consequently, Gentiles, whose thoughts bring upon us ordeals, may be hated.

The nature of the righteous ones is to hate Gentiles.

A Gentile is impure, as we have mentioned, and he defiles one who speaks to him and this brings evil upon a person.

No one wants to become connected to a Gentile, God forbid.

Certainly, beyond any doubt, a Gentile whose whole nature is essentially evil, looking at his appearance is defiling.

Gentiles are referred to as “wicked waters” while Jews are akin to fire. — [Yalkut Shaiylos u'Teshuvos](#)

Non-Jews are uncompassionate by nature and should be killed in order to curb their evil inclinations. If we kill a gentile who has violated one of the seven commandments... there is nothing wrong with the murder,

There is justification for killing babies if it is clear that they will grow up to harm us, and in such a situation they may be harmed deliberately, and not only during combat with adults.

There is no such thing as civilians in wartime... A thousand non-Jewish lives are not worth a Jew's fingernail!” Indeed, there are only a few non-Jews whose lives Lior would demand to be spared. They are captured Palestinian militants who, as he once suggested, could be used as subjects for live human medical experiments.

The Hagadah contains passages about killing non-Jews and so does the Bible, Yosef reminded his audience. “Does anyone want to change the Bible?” he asked. — Rabbi Yitzhak Shapira✡ in his book: [“How To Kill Goyim And Influence People”](#); “230 pages on the laws concerning the killing of non-Jews, a kind of guidebook for anyone who ponders the question of if and when it is permissible to take the life of a non-Jew.”

The main avodah of this generation is to go out to the final war of the golus, to conquer and to purify all the gentile countries (such that “and kingship will be Hashem's,” Ovadiah 1:21). — Shabbos Parshas VaYelech, 5746. [The Rebbe Speaks](#)

The Jews know we're better than everyone else. We're the chosen people. — James Deen✡, porn actor, Forward, February 12, 2013

What is the object of the Jew's worship in this world? Usury. What is his worldly god? Money. — Karl Marx✡, On the Jewish Question

The Jew alone regards his race as superior to humanity, and looks forward not to its ultimate union with other races, but to its triumph over them all and to its final ascendancy under the leadership of a tribal Messiah. — Goldwin

The Jews have no sense of proportion, nor do they have any judgement on world affairs. The Jews, I find, are very, very selfish. They care not how many Estonians, Latvians, Finns, Poles, Yugoslavs, or Greeks get murdered or mistreated as (post-war) Displaced Persons as long as they Jews get special treatment. Yet when they have power- physical, financial, or political- neither Hitler nor Stalin has anything on them for cruelty or mistreatment to the underdog. — 21st President Harry Truman, [entry in diary](#), July 21st, 1947

Like thousands of other typical Jewish kids of my generation, I was reared as a Jewish nationalist, even a quasi-separatist. Every summer for two months for 10 formative years during my childhood and adolescence I attended Jewish summer camp. There, each morning, I saluted a foreign flag, dressed in a uniform reflecting its colors, sang a foreign national anthem, learned a foreign language, learned foreign folk songs and dances, and was taught that Israel was the true homeland. Emigration to Israel was considered the highest virtue, and, like many other Jewish teens of my generation, I spent two summers working in Israel on a collective farm while I contemplated that possibility. More tacitly and subconsciously, I was taught the superiority of my people to the gentiles who had oppressed us. We were taught to view non-Jews as untrustworthy outsiders, people from whom sudden gusts of hatred might be anticipated, people less sensitive, intelligent, and moral than ourselves. — Stephen Steinlight✧, [The Jewish Stake in America's Changing Demography](#), October 2001

There must be no assimilation. We are a peculiar people, and a peculiar people we must remain. — Basil M Henriques✧, South African "Zionist Record" January 29, 1939

I was shocked to see IDF soldiers dragging a bleeding young Palestinian in the streets of Hebron. The shocking image showed our soldiers as sadists who rejoice over the killing of a young man, and drag his body to our settlers to rejoice, dance, exchange candy and kick the not yet dead body. It reminds me of cheetahs and hyenas, which kill and drag their prey. The problem is that these animals kill to survive. Our soldiers kill to maintain the occupation, an apartheid system. — An ex-IDF officer, mentioned in the Jewish daily Haaretz in January 2001

Why should the Arabs make peace? If I were an Arab leader, I would never make terms with Israel. That is natural: we have taken their country. Sure, God promised it to us, but what does that matter to them? There has been anti-Semitism, the Nazis, Hitler, Auschwitz, but was that their fault? They only see one thing: we came here and stole their country. Why should they accept that? — David Ben-Gurion✧

One million Arabs are not worth a Jewish fingernail. — Rabbi Yaacov Perrin✡, after Jew, Dr. Barch Kappel Goldstein✡ (physician), entered the Cave of the Patriarchs Mosque during prayers and killed 29 Muslims and wounded another 125. (S of S, p. 225), 1991

We declare openly that the Arabs have no right to settle on even one centimeter of Eretz Israel... Force is all they do or ever will understand. We shall use the ultimate force until the Palestinians come crawling to us on all fours.” “We must do everything to ensure they [the Palestinian refugees] never do return. — Rafael Eitan, Chief of Staff of the Israeli Defence Forces, New York Times April 14, 1983.

Israel may have the right to put others on trial, but certainly no one has the right to put the Jewish people and the State of Israel on trial. — Former Israeli Prime Minister Ariel Sharon✡, quoted in [BBC News Online](#)

We killed them out of a certain naive hubris. Believing with absolute certitude that now, with the White House, the Senate, and much of the American media in our hands, the lives of others do not count as much as our own.... — Ari Shavit✡, an Israeli columnist, reflected sorrowfully on the wanton Israeli killing of more than a hundred Lebanese civilians in an [essay reprinted](#) (from the Israeli paper Ha'aretz) in the May 27, 1996, issue of the New York Times.

The whole history of American Jewry is a tribute to the power of Jewish nepotism. — Adam Bellows✡

Corral fifty of the world's wealthiest Jews and there will be no more wars. — Henry Ford

A Jew cannot be a true patriot. He is something different, like a bad insect. He must be kept apart, out of a place where he can do mischief – even by pogroms, if necessary. The Jews are responsible for Bolshevism in Russia, and Germany too. I was far too indulgent with them during my reign, and I bitterly regret the favors I showed the prominent Jewish bankers. — German Kaiser Wilhelm II, in CHICAGO TRIBUNE, July 2, 1922

I fear the Jewish banks with their craftiness and tortuous tricks will entirely control the exuberant riches of America. And use it to systematically corrupt modern civilization. The Jews will not hesitate to plunge the whole of Christendom into wars and chaos that the earth should become their inheritance. — Bismarck

There are two life-forces in the world I know: Jewish and gentile, ours and

yours...I do not believe that this primal difference between gentile and Jew is reconcilable. You and we may come to an understanding, never to a reconciliation. There will be irritation between us as long as we are in intimate contact. For nature and constitution and vision divide us from all of you forever. — Maurice Samuel☆, *You Gentiles*, Harcourt, Brace & Co., New York, 1924, pp. 19, 23

Our major vice of old, as of today, is parasitism. We are a people of vultures living on the labor and the good nature of the rest of the world. But, despite our faults, we would never have done so much damage to the world if it had not been for our genius for evil leadership. Granted our parasitism! — Jewish writer Samuel Roth☆ in his book, *Jews Must Live*, 1934

Anti-Semitism is so instinctive that it may quite simply be called one of the primal instincts of mankind, one of the important instincts by which the race helps to preserve itself against total destruction. I cannot emphasize the matter too strongly. Anti-Semitism is not, as Jews have tried to make the world believe, an active prejudice. It is a deeply hidden instinct with which every man is born. He remains unconscious of it, as of all other instincts of self preservation, until something happens to awaken it. Just as when something flies in the direction of your eyes, the eyelids close instantly and of their own accord. So swiftly and surely is the instinct of anti-Semitism awakened in a man...there is not a single instance when the Jews have not fully deserved the bitter fury of their persecutors. — Samuel Roth☆, *Jews Must Live*, (1934), p. 64

We will have a world government whether you like it or not. The only question is whether that government will be achieved by conquest or consent. — Jewish Banker Paul Warburg☆, February 17, 1950, as he testified before the U.S. Senate

Since the Jews are the highest and most cultured people on earth, the Jews have a right to subordinate to themselves the rest of mankind and to be the masters over the whole earth. — [Rabbi Harry Waton](#)☆

The Jews are the master robbers of the modern age. — Napoleon Bonaparte

They are the carrion birds of humanity... are a state within a state. They are certainly not real citizens...The evils of Jews do not stem from individuals but from the fundamental nature of these people. — Napoleon Bonaparte, Stated in *Reflections and Speeches* before the Council of State on April 30 and May 7, 1806

The Jews are the most hateful and the most shameful of the small nations. — Voltaire, *God and His Men*

The Jew is by temperament an anti-producer... He is an intermediary, always fraudulent and parasitic, who operates in trade as in philosophy, by means of falsification, counterfeiting, horsedealing... His policy in economics is entirely negative, entirely usurious. — Pierre Proudhon, French socialist writer and philosopher, C sarisme et Christianisme.

The Jewish people as a whole will be its own Messiah. It will attain world dominion by the dissolution of other races, by the abolition of frontiers, the annihilation of monarchy, and by the establishment of a world republic in which the Jews will everywhere exercise the privilege of citizenship. In this new world order the Children of Israel will furnish all the leaders without encountering opposition. The Governments of the different peoples forming the world republic will fall without difficulty into the hands of the Jews. It will then be possible for the Jewish rulers to abolish private property, and everywhere to make use of the resources of the state. Thus will the promise of the Talmud be fulfilled, in which is said that when the Messianic time is come the Jews will have all the property of the whole world in their hands. — Baruch Levy✡, Letter to Karl Marx✡, La Revue de Paris, p. 54, June 1, 1928

Creative destruction is our middle name, both within our own society and abroad. We tear down the old order every day, from business to science, literature, art, architecture, and cinema to politics and law. Our enemies have always hated this whirlwind of energy and creativity, which menaces their traditions whatever they may be and shames them for their inability to keep pace. Seeing America undo traditional societies, they fear us for they do not wish to be undone. They must attack us in order to survive, just as we must destroy them to advance our historic mission. — Michael Ledeen✡, ["The War Against the Terror Masters."](#)

The thing that makes Judaism dangerous to everybody, to every race, to every nation, to every idea, is that we smash things that aren't true. We don't believe in the boundaries of nation states. We don't believe in the ideas of these individual gods that, that, you know, that protect individual groups of people; these are all artificial constructions and Judaism really teaches us how to see that. In a sense, our detractors have us right, in that we are a corrosive force. We are breaking down the false gods of all nations and all peoples because they are not real and that is very upsetting to people. — Douglas Rushkoff✡, Author: "Nothing Sacred, the Truth about Judaism" in an interview

Nations will gather together to bring their homage to the people of God; the whole fortune of nations will pass into the hands of the Jewish people, they will march behind the Jewish people, in chains as captives, and will prostrate before it. — Isador Loeb✡, Le Probleme Juif.

You cannot be English Jews. We are a race, and only as a race can we

perpetuate. Our mentality is of a Hebraic character, and differs from that of an Englishman. Enough subterfuges! Let us assert openly that we are International Jews. — Gerald Soman✡, Chairman of the World Jewry Fellowship, in its official manifesto, January 1, 1935.

I am not an American of Jewish faith. I am a Jew. I have been a Jew for a thousand years. Hitler was right in one thing. He calls the Jewish people a race, and we are a race. — Rabbi Stephen Wise✡, N.Y. Herald-Tribune, June 13, 1938.

Let us recognize that we Jews are a distinct nationality of which every Jew, whatever his country, his station, or shade of belief, is necessarily a member. — Louis Brandeis✡, U.S. Supreme Ct. Justice, Zionism, page 113.

The Revolution won't happen with guns, rather it will happen incrementally, year by year, generation by generation. We will gradually infiltrate their educational institutions and their political offices, transforming them slowly into Marxist entities as we move towards universal egalitarianism. — Max Horkheimer✡, Marxist Jew of the Frankfurt School

Gentile sperm leads to barbaric offspring

Sefer HaChinuch (a book of Jewish law) states that the character traits of the father pass on to the son, ... If the father is not Jewish, what character traits could he have? Traits of cruelty, of barbarism! These are not traits that characterize the people of Israel.

A person born to Jewish parents, even if they weren't raised on the Torah – there are things that are passed on (to him) in the blood, it's genetic, ... If the father is a gentile, then the child is deprived of these things. — Rabbi Dov Lior✡, a senior authority on Jewish law in the Religious Zionism movement.

If Gentiles [any non-Jew] refuse to live a life of inferiority, then this signals their rebellion and the unavoidable necessity of Jewish warfare against their very presence. — Cf. Mordechai Nisan✡, Kivunim (official publication of the World Zionist Organization), August, 1984, pp. 151-156

Jewish history has been tragic to the Jews and no less tragic to the neighboring nations who have suffered them. Our major vice of old as of today is parasitism. We are a people of vultures living on the labor and good fortune of the rest of the world. — Samuel Roth✡, “Jews Must Live,” page 18.

The world revolution which we will experience will be exclusively our affair and will rest in our hands. This revolution will tighten the Jewish domination over all other people. — Le Peuple Juif, February 8, 1919.

let me tell you the following words as if I were showing you the rungs of a ladder leading upward and upward: Herzl, The Zionist Congress, the English Uganda proposition, the future world war, the peace conference where with the help of England a free and Jewish Palestine will be created. — [Max Nordau](#)☆. Co-founder of the World Zionist Organization, 1903.

What would serve the Jew-hating world better as repayment for thousands of years of massacres but a nuclear winter? Or invite all those tut-tutting European statesmen and peace activists to join us in the ovens? For the first time in history a people facing extermination while the world either cackles or looks away have the power to destroy the world. The ultimate justice? — Professor David Perlmutter☆, writing in the Los Angeles Times, April 7, 2002

A people who have been persecuted for 2000 years must be doing something wrong. — Walter Isaacson☆, Kissinger: a Biography (Simon & Schuster, Inc., New York, and Faber & Faber Ltd, London 1992) page 561

The Jewish Question is being discussed by statesmen in a way more acute and compelling than ever before in the history of the world. They can do whatever they want, but the nations of the earth will never be able to get away from this question. The Jewish serpent will show its hydra's heads everywhere, blocking the way to a relaxation of international tensions. We Jews will not allow peace in the world, however hard statesmen and peace advocates try to bring it about. — London Jewish Chronicle, March 3, 1939

We possess several hundred atomic warheads and rockets and can launch them at targets in all directions, perhaps even at Rome. Most European capitals are targets of our air force.

The Palestinians should all be deported. The people who strive for this (the Israeli government) are waiting only for the right man and the right time. Two years ago, only 7 or 8 per cent of Israelis were of the opinion that this would be the best solution, two months ago it was 33 per cent, and now, according to a Gallup poll, the figure is 44 percent.

Our armed forces are not the thirtieth strongest in the world, but rather the second or third. We have the capability to take the world down with us. And I can assure you that that this will happen before Israel goes under. — Israeli professor Martin Van Crevel☆, [Speaking during an interview](#) which was published in Jerusalem February 1, 2003.

Almost all the early Jewish settlers in America belonged to the wealthy classes, it was natural for [jews] to accept the institution of slavery as they found it, and to derive as much benefit from it... [slavery] was principally in the hands of the Jews. — Wiernik. Peter, History of the Jews in America, Jewish

... [The Jews] were the largest ship chandlers in the entire Caribbean region, the shipping business was mainly a Jewish enterprise ... The slave ships were not only owned by Jews, but were manned by Jewish crews and sailed under the command of Jewish captains. — Liebman, Seymour, New World Jewry, 1493-1825, Ktav Publishing House, 1982

The West India Company, which monopolized imports of slaves from Africa, sold slaves at public auctions against cash payments. It happens that cash was mostly in the hands of Jews. The buyers who appeared at the auctions were almost always Jews, and because of this lack of competitors, they could buy slaves at low prices. On the other hand, there was also no competition in the selling of the slaves to the plantation owners and other buyers ... Profits up to 300 per cent of the purchase value were often realized with high interest rates ... If it happened that the date of such an auction fell on a Jewish holiday the auction had to be postponed...[Jews] dominated the slave trade — Wiznitzer. Arnold, Jews in Colonial Brazil, Columbia University Press, 1960

The more I debated with them the more familiar I became with their argumentative tactics.

At the outset they counted upon the stupidity of their opponents, but when they got so entangled that they could not find a way out they played the trick of acting as innocent simpletons. Should they fail, in spite of their tricks of logic, they acted as if they could not understand the counter arguments and bolted away to another field of discussion. They would lay down truisms and platitudes; and, if you accepted these, then they were applied to other problems and matters of an essentially different nature from the original theme. If you faced them with this point they would escape again, and you could not bring them to make any precise statement. Whenever one tried to get a firm grip on any of these apostles one's hand grasped only jelly and slime which slipped through the fingers and combined again into a solid mass a moment afterwards.

If your adversary felt forced to give in to your argument, on account of the observers present, and if you then thought that at last you had gained ground, a surprise was in store for you on the following day. The Jew would be utterly oblivious to what had happened the day before, and he would start once again by repeating his former absurdities, as if nothing had happened. Should you become indignant and remind him of yesterday's defeat, he pretended astonishment and could not remember anything, except that on the previous day he had proved that his statements were correct. Sometimes I was dumbfounded. I do not know what amazed me the more--the abundance of their verbiage or the artful way in which they dressed up their falsehoods.

I gradually came to hate them. — Adolf Hitler

The Jew is immunized against all dangers: one may call him a scoundrel, parasite, swindler, profiteer, it all runs off him like water off a raincoat. But call him a Jew and you will be astonished at how he recoils, how injured he is, how he suddenly shrinks back: "I've been found out." — Joseph Goebbels

The Talmud taught the Jews to steal the goods of Christians, to regard them as savage beasts, to push them over the precipice... to kill them with impunity and utter every morning the most horrible imprecations against them. — Denis Diderot, French revolutionary scholar, Jufis.

The Talmud is to this day the circulating heart's blood of the Jewish religion. Whatever laws, customs, or ceremonies we observe — whether we are Orthodox, Conservative, Reform, or merely spasmodic sentimentalists — we follow the Talmud. It is our common law. — Herman Wouk☆, "This is My God."

Talmud & Torah Quotes

[The Israelites] warred against Midian, as the LORD commanded Moses, and slew every male. . . . And the people of Israel took captive the women of Midian and their little ones; and they took as booty all their cattle, their flocks, and all their goods. All their cities in the places where they dwelt, and all their encampments, they burned with fire, and took all the spoil and all the booty, both of man and of beast . . . Moses said to them, "Have you let all the women live? . . . Now therefore, kill every male among the little ones, and kill every woman who has known man by lying with him. But all the young girls who have not known man by lying with him, keep alive for yourselves. — [Numbers 31:7-18](#)

At that time we took all his towns and completely destroyed them—men, women and children. We left no survivors. — [Deuteronomy 2:34](#)

We completely destroyed them, as we had done with Sihon king of Heshbon, destroying every city - men, women and children. — [Deuteronomy 3:6](#)

And in the days of those kings the God of heaven will set up a kingdom which shall never be destroyed, nor shall its sovereignty be left to another people. It shall break into pieces all these kingdoms and bring them to an end, and it shall stand for ever. — [Daniel 2:44](#)

To communicate anything to a Goy about our religious relations would be equal to the killing of all Jews, for if the Goyim knew what we teach about them, they would kill us openly. — Libbre David 37

A Jew should and must make a false oath when the Goyim asks if our books contain anything against them. — Szaaloth-Utszabot, The Book of Jore Dia 17

We beg Thee, O Lord, indict Thy wrath on the nations not believing in Thee, and not calling on Thy name. Let down Thy wrath on them and inflict them with Thy wrath. Drive them away in Thy wrath and crush them into pieces. Take away, O Lord, all bone from them. In a moment indict all disbelievers. Destroy in a moment all foes of Thy nation. Draw out with the root, disperse and ruin unworthy nations. Destroy them! Destroy them immediately, in this very moment! — Prayer said on the eve of Passover (Pranajtis: Christianus in Talmudae Judeorum, quotations from: Synagoga Judaica)

The Feast of Tabernacles is the period when Israel triumphs over the other people of the world. That is why during this feast we seize the loulab and carry it as a trophy to show that we have conquered all other peoples, known as "populace"... — Zohar, Toldoth Noah 63b

When the Messiah comes every Jew will have 2800 slaves. — Simeon Haddarsen, fol. 56-D

Resh Lakish said: He who is observant of fringes will be privileged to be served by two thousand eight hundred slaves, for it is said, Thus saith the Lord of hosts: In those days it shall come to pass, that ten men shall take hold, out of all the languages of the nations shall even take hold of the skirt of him that is a Jew, saying, We will go with you, etc. — Mas. Shabbath 31b

On the house of the Goy [Goy means unclean, and is the disparaging term for a non-Jew] one looks as on the fold of cattle. — Tosefta, Tractate Erubin VIII

When a Jew has a Gentile in his clutches, another Jew may go to the same Gentile, lend him money and in turn deceive him, so that the Gentile shall be ruined. For the property of a Gentile, according to our law, belongs to no one, and the first Jew that passes has full right to seize it. — Schulchan Aruch, Choszen Hamiszpat 156

If it can be proven that someone has given the money of Israelites to the Goyim, a way must be found after prudent consideration to wipe him off the face of the earth. — Choschen Hamm 388, 15

The estates of the Goys are like wilderness, who first settles in them has a right to them. — Baba Bathra, 14?b

Happy will be the lost of Israel, whom the Holy One, blessed be He, has chosen from amongst the Goyim, of whom the Scriptures say: "Their work is but vanity, it is an illusion at which we must laugh; they will all perish when God visits them in His wrath." At the moment when the Holy One, blessed be He, will exterminate all the Goyim of the world, Israel alone will subsist, even as it is written: "The Lord alone will appear great on that day!... — Zohar, Vayshlah 177b

That the Jewish nation is the only nation selected by God, while all the remaining ones are contemptible and hateful.

That all property of other nations belongs to the Jewish nation, which consequently is entitled to seize upon it without any scruples. An orthodox Jew is not bound to observe principles of morality towards people of other tribes. He may act contrary to morality, if profitable to himself or to Jews in general.

A Jew may rob a Goy, he may cheat him over a bill, which should not be perceived by him, otherwise the name of God would become dishonoured. — Schulchan Aruch, Choszen Hamiszpat, 348

When a Jew murders a Gentile, there will be no death penalty. What a Jew steals from a Gentile he may keep. — Sanhedrin 57a

R. Hanina said: If a heathen smites a Jew, he is worthy of death; for it is written, And he looked this way and that way, and when he saw that there was no man, he slew the Egyptian. [Ex. 2:12] R. Hanina also said: He who smites an Israelite on the jaw, is as though he had thus assaulted the Divine Presence; for it is written, one who smiteth man [i.e. an Israelite] attacketh the Holy One. — Sanhedrin 58b [In other words, if a non-Jew kills a Jew, the non-Jew can be killed. Punching an Israelite is akin to assaulting God. (But killing a non-Jew is NOT like assaulting God.)

If a goy killed a goy or a Jew he is responsible, but if a Jew killed a goy he is not responsible. — Tosefta, Aboda Zara, VIII, 5

Kill the Goyim by any means possible. — Choshen Ha'mishpat 425:50

Everyone who sheds the blood of the impious [non-Jews] is as acceptable to God as he who offers a sacrifice to God. — Yalkut 245c

Extermination of the Christians is a necessary sacrifice. — Zohar, Shemoth

All Israelites will have a part in the future world... The Goyim, at the end of the world will be handed over to the angel Duma and sent down to hell. — Zohar, Shemoth, Toldoth Noah, Lekh-Lekha

Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night. — Midrasch Talpioth, p. 225-L

Everything a Jew needs for his church ritual no goy is permitted to manufacture, but only a Jew, because this must be manufactured by human beings and the Jew is not permitted to consider the goyim as human beings. — Schulchan Oruch, Orach Chaiw 14, 20, 32, 33, 39. TaIDud Jebamoth 61

A Jew may do to a non-Jewess what he can do. He may treat her as he treats a piece of meat. — Hadarine, 20, B; Schulchan Aruch, Choszen Hamispat 348

A Jew may violate but not marry a non-Jewish girl. — Gad. Shas. 2:2

A boy-goy after nine years and one day old, and a girl after three years and one day old, are considered filthy. — Pereferkowicz, Talmud t.v., p. 11

It was taught: R. Judah used to say, A man is bound to say the following three blessings daily: "[Blessed art thou...] who hast not made me a heathen," "... who hast not made me a woman"; and "... who hast not made me a brutish man." R. Aha b. Jacob once overheard his son saying "[Blessed art thou...] who hast not made me a brutish man," whereupon he said to him, "And this too!" Said the other, "Then what blessing should I say instead?" [He replied,]...h who hast not made me a slave." And is not that the same as a woman? - a slave is more contemptible. — Menachoth 43b-44a [A "prayer" or "benediction" to be said by a Jewish man every day: "Thank God for not making me a Gentile, a woman or a slave."]

Do not save Goyim in danger of death.

Show no mercy to the Goyim. — Hilkkoth Akum X1

A Jew is forbidden to drink from a glass of wine which a Gentile has touched, because the touch has made the wine unclean. — Schulchan Aruch, Johre Deah, 122

And he who desires that none of his vows made during the year shall be valid, let him stand at the beginning of the year and declare, 'Every vow which I may make in the future shall be null.1 [HIS VOWS ARE THEN INVALID,] PROVIDING THAT HE REMEMBERS THIS AT THE TIME OF THE VOW. —

Nedarim 23b [Essentially the "Kol Nidre" prayer said every year at Yom Kippur. Fn. 1 says: "This may have provided a support for the custom of reciting Kol Nidre (a formula for dispensation of vows) prior to the Evening Service of the Day of Atonement (Ran.). The context makes it perfectly obvious that only vows, where the maker abjures benefit from aught, or imposes an interdict of his own property upon his neighbour, are referred to. Though the beginning of the year (New Year) is mentioned here, the Day of Atonement was probably chosen on account of its great solemnity. But Kol Nidre as part of the ritual is later than the Talmud, and, as seen from the following statement about R. Huna h. Hinena, the law of revocation in advance was not made public."]

The Jews are called human beings, but the non-Jews are not humans. They are beasts. — Baba mezia, 114b

The souls of non-Jews come from impure spirits and are called pigs. — Jalkut Rubeni gadol 12b

Although the non-Jew has the same body structure as the Jew, they compare with the Jew like a monkey to a human. — Schene luchos haberith, p. 250 b

If you eat with a Gentile, it is the same as eating with a dog. — Tosaphot, Jebamoth 94b

It is permitted to take the body and the life of a Gentile. — Sepher ikkarim III c 25

A heretic Gentile you may kill outright with your own hands. — Abodah Zara, 4b

If a Jew has a non-Jewish servant or maid who dies, one should not express sympathy to the Jew. You should tell the Jew: "God will replace 'your loss', just as if one of his oxen or asses had died" — Jore dea 377, 1

Jews may use lies ("subterfuges") to circumvent a Gentile. — Baba Kamma 113a

Whosoever disobeys the rabbis deserves death and will be punished by being boiled in hot excrement in hell. — Erubin 21b

Jewish War on Europeans

The white race is the cancer of human history. — Susan Sontag☆ (Rosenblatt), Partisan Review, Winter 1967

***Abolish the White Race – By Any Means Necessary.
The key to solving the social problems of our age is to abolish the white race. So long as the white race exists, all movements against racism are doomed to fail.***

Treason to whiteness is loyalty to humanity. — Noel Ignatiev☆, [Race Traitor Magazine no. 1](#), ‘Abolish the White Race - By Any Means Necessary’, Winter 1993

The goal of abolishing the white race is on its face so desirable that some may find it hard to believe that it could incur any opposition other than from committed white supremacists.

We intend to keep bashing the dead white males, and the live ones, and the females too, until the social construct known as ‘the white race’ is destroyed, not ‘deconstructed’ but destroyed. — Noel Ignatiev☆, [Harvard Magazine](#), Sep-Oct 2002

Europe thinks as Jews; all her society is Jewish or is controlled by Jews.... There is no program, no idea or conviction a European has that is his own—they all come from the Jews. — Samuel Roth☆, New York 1927

There is no place in modern Europe for ethnically pure states. That’s a 19th century idea and we are trying to transition into the 21st century, and we are going to do it with multi-ethnic states. — Wesley Clark☆, retired Jewish General who commanded Operation Allied Force in the Kosovo War

The strengthening of multicultural or diverse Australia is also our most effective insurance policy against anti-Semitism. The day Australia has a Chinese Australian Governor General I would be more confident of my freedom to live as a Jewish Australian. — Miriam Faine☆, editor of Australian Jewish Democrat

The Census Bureau has just reported that about half of the American population will soon be non-white or non-European. And they will all be American citizens. We have tipped beyond the point where a Nazi-Aryan party will be able to prevail in this country. We [Jews] have been nourishing the American climate of opposition to ethnic bigotry for about half a century. That

climate has not yet been perfected, but the heterogeneous nature of our population tends to make it irreversible ... — Earl Raab✡, executive director emeritus of the Perlmutter Institute of Jewish Advocacy (offshoot of the ADL), Jewish Bulletin, Feb. 19, 1993

The non-Europeanization of America is heartening news of an almost transcendent quality. — Ben Wattenberg✡, Jewish writer and journalist

The English are not worth saving as a race. — Jack Straw✡, Jewish politician of the British Labour Party.

As a Labour government, we were not only welcoming people to come into this country to work, we were sending out search parties for people and encouraging them. — Peter Mandelson✡, Jewish politician of the British Labour Party. *Peter Mandelson was born in Hampstead Garden Suburb, Middlesex on 21 October 1953, the son of Mary Joyce (née Morrison) and George Norman Mandelson. We Jews have spoiled the blood of all the races of Europe. Taken as a whole, everything is Jewdified. Our ideas animate everything. Our spirit reigns over the world. We are the Lords. — Dr. Kurt Munzer✡, “The Way to Zion.”

We intend to turn Europe into a mixed race of Asians and Negroes ruled over by the Jews. — Richard Coudenhove-Kalergi✡, EU founding father, in his book ‘Praktischer Idealismus’, 1925

We must realise that our party's most powerful weapon is racial tension. By pounding into the consciousness of the dark races that for centuries they have been oppressed by the Whites, we can mould them to our program. The terms 'colonialism' and 'imperialism' must be featured in our propaganda. In America we will aim for subtle victory. While inflaming the Negro minority against the Whites, we will endeavour to instil in the Whites a guilt complex for exploiting the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sport and entertainment. With this prestige, the Negroes will be able to intermarry with the Whites and begin a process which will deliver America to our cause. — Israel Cohen✡, A Racial Program for the Twentieth Century, 1912

Some time in the distant future, brown people are probably going to — and I say this without judgment — breed their way to power in both Europe and America. Arab populations are growing in countries like France and Holland, and I think we all see where this Mexican thing is going in America. That's right, because they fuck more, the darker skinned people are going to rule the

world, and white people, for their own self-preservation, should get a start on being nice to them now! Nice! — Bill Maher☆, Jewish author, TV host, “comedian”

American Jews are committed to cultural tolerance because of their belief—one firmly rooted in history—that Jews are safe only in a society acceptant of a wide range of attitudes and behaviors, as well as a diversity of religious and ethnic groups. It is this belief, for example, not approval of homosexuality, that leads an overwhelming majority of U.S. Jews to endorse ‘gay rights’ and to take a liberal stance on most other so-called ‘social’ issues. — Charles Silberman☆, Jewish writer and journalist

... historically, Jews had always thrived in nations and empires with multicultural, pluralistic and tolerant environments, while they fared badly in strong ethnic or nationalistic societies. European Jews have always been the emblematic stranger or ‘other’. Therefore, by definition, a society where the stranger is welcome is good for the Jews, although they have not always appreciated this link. ... The future of European Jewry is dependant on our ability to shape a multicultural, pluralistic and diverse society. — Göran Rosenberg☆, Jewish author and journalist

I think there’s a resurgence of antisemitism because at this point in time Europe has not yet learned how to be multicultural, and I think we’re gonna be part of the throes of that transformation, which must take place. Europe has not yet learned how to be multicultural. Europe is not going to be the monolithic societies that they once were in the last century. Jews are going to be at the center of that. It’s a huge transformation for Europe to make. They are now going into a multicultural mode, and Jews will be resented because of our leading role. But without that leading role, and without that transformation, Europe will not survive. — Barbara Spectre☆, director the Jewish organization Paideia

The troublemakers in Hungary are the Jews... they demoralize our country and they are the leaders of the revolutionary gang that is torturing Hungary. — Cardinal Mindszenty, of Hungary quoted in B’nai B’rith Messenger, January 28, 1949

[The oligarchs] exploited the disintegration of the Soviet system to loot the treasures of the state and to amass plunder amounting to hundreds of billions of dollars. In order to safeguard the perpetuation of their business, they took control of the state. Six of the seven are Jews. . . . [Boris] Berezovsky boasts that he caused the war in Chechnya, in which tens of thousands have been killed and a whole country devastated. He was interested in the mineral resources and a prospective [oil] pipeline there. — Uri Avnery☆ describing an Israeli TV series called “The Oligarchs,” in an article entitled “How the Virgin Became a Whore” (2004). This series will never be broadcast in the USA, of course.

Is the emerging new multicultural American nation good for the Jews? Will a country in which enormous demographic and cultural change, fueled by unceasing large-scale non-European immigration, remain one in which Jewish life will continue to flourish as nowhere else in the history of the Diaspora? In an America in which people of color form the plurality, as has already happened in California, most with little or no historical experience with or knowledge of Jews, will Jewish sensitivities continue to enjoy extraordinarily high levels of deference and will Jewish interests continue to receive special protection? Does it matter that the majority non-European immigrants have no historical experience of the Holocaust or knowledge of the persecution of Jews over the ages and see Jews only as the most privileged and powerful of white Americans?

Not that it is the case that our disproportionate political power (pound for pound the greatest of any ethnic/cultural group in America) will erode all at once, or even quickly. We will be able to hang on to it for perhaps a decade or two longer. Unless and until the triumph of campaign finance reform is complete, an extremely unlikely scenario, the great material wealth of the Jewish community will continue to give it significant advantages. We will continue to court and be courted by key figures in Congress.

For perhaps another generation, an optimistic forecast, the Jewish community is thus in a position where it will be able to divide and conquer and enter into selective coalitions that support our agendas.

It is also true that Jewish economic influence and power are disproportionately concentrated in Hollywood, television, and in the news industry. — Stephen Steinlight✧, ["The Jewish Stake in America's Changing Demography"](#), from the Center for Immigration Studies, October 2001.

You're [White people] on the endangered list. And unlike, say, the bald eagle or some exotic species of muskrat, you are not worth saving. In forty years or so, maybe fewer, there won't be any more white people around. — Tim Wise✧, ["anti-racist activist"](#), November 3, 2010.

Look back a little and see what has happened. Nineteen hundred years ago you were an innocent, carefree, pagan race. You worshipped countless gods and goddesses, the spirits of the air, of the running streams and of the woodland. You took unblushing pride in the glory of your naked bodies. You carved images of your gods and of the tantalizing human figure. You delighted in the combats of the field, the arena and the battle-ground. War and slavery were fixed institutions in your systems. Disporting yourselves on the hillsides and in the valleys of the great outdoors, you took to speculating on the wonder and mystery of life and laid the foundations of natural science and philosophy. Yours was a noble, sensual culture, unirked by the prickings of a social conscience or by any sentimental questionings about human equality. Who knows what great and glorious destiny might have been yours if we had left you alone.

But we did not leave you alone. We took you in hand and pulled down the beautiful and generous structure you had reared, and changed the whole course of your history. We conquered you as no empire of yours ever subjugated Africa or Asia. And we did it all without armies, without bullets, without blood or turmoil, without force of any kind. We did it solely by the irresistible might of our spirit, with ideas, with propaganda.

We made you the willing and unconscious bearers of our mission to the whole world, to the barbarous races of the earth, to the countless unborn generations. Without fully understanding what we were doing to you, you became the agents at large of our racial tradition, carrying our gospel to the unexplored ends of the earth.

Our tribal customs have become the core of your moral code. Our tribal laws have furnished the basic groundwork of all your august constitutions and legal systems. Our legends and our folk-tales are the sacred lore which you croon to your infants. Our poets have filled your hymnals and your prayer-books. Our national history has become an indispensable part of the learning of your pastors and priests and scholars. Our kings, our statesmen, our prophets, our warriors are your heroes. Our ancient little country is your Holy Land. Our national literature is your Holy Bible. What our people thought and taught has become inextricably woven into your very speech and tradition, until no one among you can be called educated who is not familiar with our racial heritage. — Marcus Eli Ravage✧, [The Century Magazine](#), January 1928, Vol. 115, No. 3, pp. 346-350.

One of the spectacles which the next century (20th) will invite us to witness is the decision regarding the fate of the Jews. It is quite obvious now that they have cast their die and crossed the Rubicon; the only thing that remains for them is either to become masters of Europe or to lose Europe, as they once centuries ago lost Egypt, where they were confronted by similar alternatives.... Europe may some day fall into their hands like ripe fruit, if they do not clutch it too eagerly. — Frederich Nietzsche, The Dawn of the Day

[The] more migrants from Africa and Asia who arrive, the better off Europe will be. Sooner or later, their children and grandchildren will marry into veteran European families and change the demographics of their countries. Europe will be different. — [Yigal Ben-Nun](#)✧, Israeli Writer

World War 2

Judea declares War on Germany.

The Israeli people around the world declare economic and financial war against Germany. Fourteen million Jews stand together as one man, to declare war against Germany. The Jewish wholesaler will forsake his firm, the banker his stock exchange, the merchant his commerce and the pauper his pitiful shed in order to join together in a holy war against Hitler's people. — Daily Express, March 24, 1934

We will force this war upon Hitler, if he wants it or not. — Winston Churchill✠, 1936 broadcast

The Second World War is being fought for the defense of the fundamentals of Judaism. — The Chicago Jewish Sentinel, October 8, 1942.

Germanys unforgivable crime before WW2 was its attempt to loosen its economy out of the world trade system and to build up an own exchange system from which the world-finance couldnt profit anymore. ...We butchered the wrong pig. — Winston Churchill✠, The second World War (Bern, 1960)

Hitler held that, as long as the international monetary system was based on gold, a nation which cornered gold could impose its will on those who lacked it. This could be done by drying up their sources of exchange, and thereby compelling them to accept loans on interest in order to distribute their wealth-their production. He said: "The community of the nation does not live by the fictitious value of money, but by real production which in its turn gives value to money. This production is the real cover of the currency, and not a bank or as safe full of gold." He decided: (1) To refuse foreign interest-bearing loans, and base German currency of production instead of gold. (2) To obtain imports by direct exchange of goods - barter - and subsidize exports when necessary. (3) To put a stop to what was called "Freedom of the exchanges" - that is, license to gamble on currencies and shift private fortunes from one country to another according to the political situation. And (4) to create money when men and material were available for work instead of running to debt by borrowing it.

Because the life of international finance depended upon the issue of interest-bearing loans to nations in economic distress, Hitler's economic spelt its ruination. If he were allowed to succeed, other nations would certainly follow his example, and should a time come when all non-gold-holding governments exchanged goods for goods, not only would borrowing cease and gold lose its power, but the money-lenders would have to close shop.

Between 1933 and 1936, Hitler had reduced German unemployment from six million to one, and prosperity had so far returned that, like Arthur Balfour in

1907, in 1936 Winston Churchill is reported to have said to General Robert E. Wood of America: "Germany is getting too strong and we must smash her." — From J.F. C. Fuller's book, ["Military History of the Western World."](#) Volume 111 Chronicle 10 , "The rise of the Third Reich and the origins of the Second World War." First published in 1956.

You must understand that this war is not against Hitler or National Socialism, but against the strength of the German people, which is to be smashed once and for all, regardless of whether it is in the hands of Hitler or a Jesuit priest. — Emrys Hughes, Winston Churchill☆, His Career in War and Peace p. 145

Germans are not human beings. Henceforth the word German means to us the most terrible curse. From now on the word German will trigger your rifle. We shall not speak any more. We shall not get excited. We shall kill. If you have not killed at least one German a day, you have wasted that day. ...

If you kill one German, kill another – there is nothing more amusing for us than a heap of German corpses. Do not count days; do not count miles. Count only the number of Germans you have killed. Kill the German – this is your old mother's prayer. Kill the German – this is what your children beseech you to do. Kill the German – this is the cry of your Russian earth. Do not waver. Do not let up. Kill. — Ilya Ehrenburg☆, Soviet Jewish journalist, Vojna (1942-43)

Kill the Germans, wherever you find them! Every German is our moral enemy. Have no mercy on women, children, or the aged! Kill every German -- wipe them out! — Ilya Ehrenburg☆, Glaser (p. 111)

Each of you, Jew and Gentile alike, who has not already enlisted in this sacred war should do so now and here. It is not sufficient that you should buy no goods made in Germany. You must refuse to deal with any merchant or shopkeeper who sells any German-made goods or who patronises German ships or shipping.... we will undermine the Hitler regime and bring the German people to their senses by destroying their export trade on which their very existence depends. — Samuel Untermyer☆, Radio Broadcast on WABC, New York, August 6, 1933

I believe, that the Jews have a mission in life. They must see to it that the nations of the world get together in one vast federation. 'Union Now' is the beginning of this. Slowly but surely the world will develop into a paradise. We will have perpetual peace. And the Jews will do the most to bring about this confederation, because they have the most to gain. But how can you get peace if Germany exists? — Theodor Kaufman☆, The Canadian Jewish Chronicle, September 26, 1941, p.5

The millions of Jews who live in America, England and France, North and South Africa, and, not to forget those in Palestine, are determined to bring the war of annihilation against Germany to its final end. — The Jewish newspaper, Central Blad Voor Israeliten in Nederland, September 13, 1939

Germany is the enemy of Judaism and must be pursued with deadly hatred. The goal of Judaism of today is: a merciless campaign against all German peoples and the complete destruction of the nation. We demand a complete blockade of trade, the importation of raw materials stopped, and retaliation towards every German, woman and child. — Jewish professor A. Kulischer✧, October, 1937

Step by step, I have arrived at the conviction that the aims of Communism in Europe are sinister and fatal. At the Nuremberg Trials, I, together with my Russian colleague, condemned Nazi Aggression and Terror. I believe now that Hitler and the German People did not want war. But we, {England}, declared war on Germany, intent on destroying it, in accordance with our principle of Balance of Power, and we were encouraged by the 'Americans' {Jews} around Roosevelt. We ignored Hitler's pleading, not to enter into war. Now we are forced to realize that Hitler was right. He offered us the co-operation of Germany: instead, since 1945, we have been facing the immense power of the Soviet Empire. I feel ashamed and humiliated to see that the aims we accused Hitler of, are being relentless pursued now, only under a different label. — Ashamed and Humiliated The British Attorney General, Sir Hartle Shawcross, said in a speech at Stourbridge, March 16/84 (AP)

The fight against Germany has now been waged for months by every Jewish community, on every conference, in all labor unions and by every single Jew in the world. There are reasons for the assumption that our share in this fight is of general importance. We shall start a spiritual and material war of the whole world against Germany. Germany is striving to become once again a great nation, and to recover her lost territories as well as her colonies. But our Jewish interests call for the complete destruction of Germany... — Valadimir Jabotinsky✧, in Mascha Rjetsch, January, 1934

Hitler will have no war (does not want war), but we will force it on him, not this year, but soon. — Emil Ludwig Cohn✧ in Les Annales, June, 1934 (also quoted in his book The New Holy Alliance

We Jews are going to bring a war on Germany. — David A. Brown✧, National Chairman, United Jewish Campaign, 1934 (quoted in I Testify Against The Jews by Robert Edward Edmondson, page 188 and The Jewish War of Survival by Arnold Leese, page 52

It is untrue that I or anyone else in Germany wanted the war in 1939. It was

desired and instigated exclusively by those international statesmen who were either of Jewish descent or worked for Jewish interests. — Adolf Hitler, April 29, 1945

Starting in April 1945, the United States Army and the French Army casually annihilated one million [German] men, most of them in American camps . . . Eisenhower's hatred, passed through the lens of a compliant military bureaucracy, produced the horror of death camps unequaled by anything in American history . . . an enormous war crime. — Col. Ernest F. Fisher, PhD Lt. 101st Airborne Division, Senior Historian, United States Army. The Morgenthau Plan

It may be Inconvenient History but England rather than Germany initiated the murderous slaughter of bombing civilians thus bringing about retaliation. Chamberlain conceded that it was "absolutely contrary to International law." It began in 1940 and Churchill believed it held the secret of victory. He was convinced that raids of sufficient intensity could destroy Germany's morale, and so his War Cabinet planned a campaign that abandoned the accepted practice of attacking the enemy's armed forces and, instead made civilians the primary target. Night after night, RAF bombers in ever increasing numbers struck throughout Germany, usually at working class housing, because it was more densely packed. — The Peoples' War, Angus Calder. London, Jonathan Cape, 1969.

Hitler only undertook the bombing of British civilian targets reluctantly three months after the RAF had commenced bombing German civilian targets. Hitler would have been willing at any time to stop the slaughter. Hitler was genuinely anxious to reach with Britain an agreement confining the action of aircraft to battle zones... Retaliation was certain if we carried the war into Germany... there was a reasonable possibility that our capital and industrial centres would not have been attacked if we had continued to refrain from attacking those of Germany... We began to bomb objectives on the German mainland before the Germans began to bomb objectives on the British mainland... Because we were doubtful about the psychological effect of propagandist distortion of the truth that it was we who started the strategic bombing offensive, we have shrunk from giving our great decision of May 11th, 1940, the publicity it deserves. — J.M. Spaight, CB, CBE, Principal Secretary to the Air Ministry, Bombing Vindicated.

They [the British Air Chiefs] argued that the desired result, of reducing German industrial production, would be more readily achieved if the homes of the workers in the factories were destroyed; if the workers were kept busy arranging for the burial of their wives and children, output might reasonably be expected to fall... It was concentrated on working class houses because, as Professor Lindemann maintained, a higher percentage of bloodshed per ton of explosives dropped could be expected from bombing houses built close together, rather than by bombing higher class houses surrounded by gardens. — Advance

to Barbarism, F.J.P. Veale.

... the long suppressed story of the worst massacre in the history of the world. The devastation of Dresden in February, 1945, was one of those crimes against humanity whose authors would have been arraigned at Nuremberg if that court had not been perverted. — Rt. Hon. Richard. H.S. Crossman, MP, Labour Government Minister.

Its horror is revealed in the howling and raging of the firestorms, the hellish noise of exploding bombs and the death cries of martyred human beings as well as the big silence after the raids. Speech is impotent to portray the measure of the horror, which shook the people for ten days and nights and the traces of which were written indelibly on the face of the city and its inhabitants. No flight of imagination will ever succeed in measuring and describing the gruesome scenes of horror in the many buried air shelters. Posterity can only bow its head in honour of the fate of these innocents, sacrificed by the murderous lust of a sadistic enemy. — The Police President of Hamburg.

Three-hundred times as many people died in Hamburg during the ten-day blitz as died in Coventry during the entire course of the war... Not even Hiroshima and Nagasaki, suffering the smashing blows of nuclear explosions, could match the utter hell of Hamburg. — Martin Caidin, *The Night Hamburg Died*, Ballantyne Books, NY, 1960.

Against that false claim the late Dr. Austin App proclaimed the truth: Those Allies who were "no monsters" literally raped more European women than had ever before been raped in the history of the world. They put Germany on a starvation-level diet. Under direct orders from Dwight Eisenhower, they killed more than a million German POWs. They looted 12 million people of their homes, goods, food, and even clothes and drove them from their homelands. They took one-fourth of their farmland, they took their ships and their factories and their farm implements and then told them to live by farming. They abused and starved to death more German babies than there ever were Jews in Germany. They raped and debauched hundreds of thousands of German, Austrian, and Hungarian girls and women from eight to eighty. They brought to their death five times as many Germans in one year of peace as died during five years of war. Yes, yes, of course, these men of the United Nations, these men of the New World Order are no monsters.

Quite apart from any ethnic or ideological considerations, World War II was a war between, on the one side, the elitists who created Communism as a way-station on the road to their New World Order; and on the other, those who opposed that New World Order. It is a tragedy of millennial proportions that America and Britain were induced to fight on the side of Communism and Communism's masters. — Kevin Alfred Strom, ["Ravishing the Women of Conquered Europe"](#)

Things are not that simple, Rebbe. Some events do take place but are not true; others are—although they never occurred. — ‘Holocaust Survivor’ Elie Wiesel✠: Legends of Our Time (New York: Avon, 1970), p. viii.

The Holocaust is something different. It is a singular event. It is not simply one example of genocide but a near successful attempt on the life of God’s chosen children and, thus, on God Himself. — Abraham H. Foxman✠, National Director of the Anti-Defamation League of B’nai B’rith (ADL), writing in ADL “On the Frontline,” January 1994, pg. 2.

[...] I see no objective evidence whatever of mass-murder or the device(s) used to carry it out! They find...something...anything, and automatically it is "evidence" of their "holocaust." No scientifically-minded, thinking person who wasn't previously inclined via decades of propaganda/atrocity stories and/or an ideological agenda, to see mass-homicide in a handful of trinkets(that we still haven't actually seen), one suspiciously pristine ring, a scrap or two of bone(belonging to God only knows who), and a few concrete slabs where buildings are known to have existed would see this as evidence of it once being a murder factory where as many as a quarter-million people are alleged to have been exterminated! — Inquisitor, CODOH Revisionist Forum, "Gas chamber" discovered at Sobibor

The International Red Cross was stationed in all German labour, internment, concentration and prison camps throughout World War Two. The Red Cross were never given access to any Russian camps before, during or after World War Two. At his trials in Canada, during the 1980s and 1990s, Professor Ernst Zundel finally got the Red Cross to release their records from the German camps despite strong Israeli objections. The Red Cross records seem to suggest that there were no gas chambers, and a total of 271,301 died during World War Two in these camps, mostly from typhus.

In a letter to the US State Department dated November 22nd 1944 The Red Cross, who were stationed in all the camps, stated : “We have not been able to discover any trace of installations for exterminating civilian prisoners.” — [‘Holocaust Or Holohoax? 21 Amazing Facts’](#)

One of the pieces of evidence Professor Ernst Zundel produced at his trials in Canada was the “Leuchter Report” compiled by Fred Leuchter on his commission. Fred Leuchter is the World’s foremost expert on gas chambers, and holds the patents for nearly all the gas chambers used for executions in the World. He has also personally built, or supervised the building, of all gas chambers in the USA and most in the rest of the World. After inspecting the alleged gas chambers at Auschwitz, Leuchter concluded they were unsuitable for use as gas chambers due to their lack of airtight doors, lack of a gas extraction system and general shoddy build. He also chemically analysed the walls for ferrocyanide (produced when Zyklon-B reacts with brick walls) and

concluded there was none – the Auschwitz authorities took the same tests with the same results and now admit there was no gas chamber in Auschwitz. — [‘Holocaust Or Holohoax? 21 Amazing Facts’](#)

You must understand. The leading Bolsheviks who took over Russia were not Russians. They hated Russians. They hated Christians. Driven by ethnic hatred they tortured slaughtered millions of Russians without a shred of human remorse. The October Revolution was not what you call in America the 'Russian Revolution.' It was an invasion and conquest over the Russian people. More of my countrymen suffered horrific crimes at their bloodstained hands than any people or nation ever suffered in the entirety of human history. It cannot be understated. Bolshevism was the greatest human slaughter of all time. The fact that most of the world is ignorant of this reality is proof that the global media itself is in the hands of the perpetrators. — Aleksandr Solzhenitsyn, speaking to David Duke in Moscow 2002, "A Life-Changing Conversation in Moscow" Duke Report 2002.

The Gulag Archipelago, 'he informed an incredulous world that the blood-maddened Jewish terrorists had murdered sixty-six million victims in Russia from 1918 to 1957! Solzhenitsyn cited Cheka Order No. 10, issued on January 8, 1921: 'To intensify the repression of the bourgeoisie.' — Alexander Solzhenitsyn, The Gulag Archipelago

Some call it Marxism — I call it Judaism. — The American Bulletin, Rabbi S. Wise✡, May 5, 1935.

The Jew is an inborn Communist. — Otto Weininger, Sex and Character, page 311.

We mustn't forget that some of greatest murderers of modern times were Jewish. Genrikh Yagoda was the greatest Jewish murderer of the 20th Century... is responsible for the deaths of at least 10 million people. His Jewish deputies established and managed the Gulag system. — ynetnews.com, December 21, 2006.

There is much in the fact of Bolshevism itself, in the fact that so many Jews are Bolsheviks, in the fact that the ideals of Bolshevism at many points are consonant with the finest ideals of Judaism. — The Jewish Chronicle, April 4, 1919.

The Bolshevik revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal is to create a new order in the world. What was performed in so excellent a way in Russia, thanks to Jewish

brains, and because of Jewish dissatisfaction, and by Jewish planning, shall also, through the same Jewish mental and physical forces, become a reality all over the world. — The American Hebrew Magazine – September 10, 1920

It is probably unwise to say this loudly in the United States, but the Bolshevik movement is and has been since its beginning, guided and controlled by Russian Jews of the greasiest type... A table made up in 1918, by Robert Wilton, correspondent of the London Times in Russia, shows at that time there were 384 commissars including 2 Negroes, 13 Russians, 15 Chinamen, 22 Armenians and more than 300 Jews. — U.S. National Archives, Record Group 120: Records of the American Expeditionary Forces, 1919

There is no need to exaggerate the part played in the creation of Bolshevism and in the actual bringing about of the Russian Revolution, by these international and for the most part atheistical Jews, it is certainly a very great one; it probably outweighs all others. With the notable exception of Lenin, the majority of the leading figures are Jews. Moreover, the principal inspiration and driving power comes from the Jewish leaders. Thus Tchitcherin, a pure Russian, is eclipsed by his nominal subordinate Litvinoff, and the influence of Russians like Bukharin or Lunacharski cannot be compared with the power of Trotsky, or of Zinovieff, the Dictator of the Red Citadel (Petrograd) or of Krassin or Radek -- all Jews. In the Soviet institutions the predominance of Jews is even more astonishing. And the prominent, if not indeed the principal, part in the system of terrorism applied by the Extraordinary Commissions for Combating Counter-Revolution has been taken by Jews, and in some notable cases by Jewesses. The same evil prominence was obtained by Jews in the brief period of terror during which Bela Kun ruled in Hungary. The same phenomenon has been presented in Germany (especially in Bavaria), so far as this madness has been allowed to prey upon the temporary prostration of the German people. Although in all these countries there are many non-Jews every whit as bad as the worst of the Jewish revolutionaries, the part played by the latter in proportion to their numbers in the population is astonishing. — Winston Churchill✠, [The Illustrated Sunday Herald](#), 8th of February 1920.

In Kharkov, people were scalped. In Vorenezh, the torture victims were placed in barrels into which nails were hammered so that they stuck out on the inside, upon which the barrels were set rolling. A pentacle (usually a five pointed star formerly used in magic) was burned into the foreheads of the victims. In Tsaritsyn and Kamyshin, the hands of victims were amputated with a saw. In Poltava and Kremenchug, the victims were impaled. In Odessa, they were roasted alive in ovens or ripped to pieces. In Kiev, the victims were placed in coffins with a decomposing body and buried alive, only to be dug up again after half an hour. — A former Soviet functionary named Mikhail Voslensky wrote about some of the methods of torture and murder in his book Nomenclature

The whole cement floor of the execution hall of the Jewish Cheka of Kiev was

flooded with blood; it formed a level of several inches. It was a horrible mixture of blood, brains and pieces of skull. All the walls was bespattered with blood. Pieces of brains and of scalps were sticking to them. A gutter of 25 centimeters wide by 25 centimeters deep and about 10 meters long was along its length full to the top with blood.

Some bodies were disemboweled, others had limbs chopped off, some were literally hacked to pieces. Some had their eyes put out the head, face and neck and trunk were covered with deep wounds. Further on, we found a corpse with a wedge driven into its chest. Some had no tongues. In a corner we discovered a quantity of dismembered arms and legs belonging to no bodies that we could locate. — The American Rohrbach Commission described some of the carnage in Defender magazine (October, 1933)

The decision to nationalize this library was made by the first Soviet government, whose composition was 80-85 percent Jewish. — Putin said with reference to a library belonging to Rabbi Joseph I. Schneerson, the late leader of the Chabad-Lubavitch movement, [according to the JTA report](#).

The Bolshevik leaders here, most of whom are Jews and 90 percent of whom are returned exiles, care little for Russia or any other country but are internationalists and they are trying to start a worldwide social revolution. — David Rowland: Russia from the American Embassy, 1916-1918

In his "Jews in Russia," Mr. Victor E. Maraden, correspondent of the Morning Post, published the names of all the 545 Soviet Commissars. Of them 447 are

Jews, 34 Letts, 30 Russians, etc. But even many of these Letts and Russians are in reality Jews or married to Jewesses. — Maj. Gen. Count Cherep-Spiridovich, The Secret World Government or “The Hidden Hand,” 1926

The communists are Jews, and Russia is being entirely administered by them. They are in every government office, bureau and newspaper. The are driving out the Russians and are responsible for the anti-Semitic feeling which is increasing. — Mrs. Clare Sheridan, friend of Bronstein-Trotsky, in the New York World, 1923

I am prepared to prove that Bolshevism (which is merely a modern word for Judaism), the vicious manipulation of foreign exchanges, and the general “world unrest” prevailing today, may be summed up in two words, namely, ‘Jew Finance.’ — H.H. Beamish, President of English patriotic society, author of the Jew’s Who’s Who.

One can say without exaggeration that the great Russian social revolution has been made by the hand of the Jews. Would the somber, oppressed masses of Russian workmen and peasants have been capable by themselves of throwing off the yoke of the bourgeoisie. No, it was especially the Jews who have led the Russian proletariat to the Dawn of the International and who have not only guided but still guide today the cause of the Soviets which they have preserved in their hands.

We can sleep in peace so long as the commander-in-chief of the Red Army is Comrade Trotsky (real name: Bronstein). It is true that there are no Jews in the Red Army serving as private soldiers, but the committees and Soviet organization are Jewish. Jews bravely lead to victory the masses of the Russian proletariat. It is not without reason that in the elections for all the Soviet institutions Jews are in a victorious and crushing majority....

‘The Jewish symbol which for centuries has struggled against capitalism has become that also of the Russian proletariat. One may see it in the adoption of the red five-pointed star which has been for long, as one knows, the symbol of Zionism and Judaism. Behind this emblem marches victory, the death of parasites and of the bourgeoisie. — M. Cohen☆, in The Communist, 1919

We should turn Her (Russia) into a desert populated with white Niggers. We will impose upon them such a tyranny that was never dreamt by the most hideous despots of the East. The peculiar trait of that tyranny is that it will be enacted from the left rather than the right and it will be red in the literal sense of that word, for we shall shed such streams of blood that all the losses of human lives in Capitalist wars will shrink and pale before them. The biggest bankers on the other side of the Atlantic will work in very close collaboration with us. If we win the Revolution, crush Russia, we shall consolidate the power of Zionism on her funereal remains and become such a force that the whole

world will go down on its knees before it. We will show what real power is.

(Aaron Simanovich, "Memoirs", Paris, 1922, Molodaya Gvardiya, Moscow, No. 6, 1991, p. 55.) — Leon Trotsky ☆ (born Lev Davidovich Bronstein) in Petrograd, December 1917. Trotsky was both an ardent Zionist, as well as Bolshevik, and one of the biggest butchers of the 1917 Red Revolution. After a major power struggle with Stalin, he worked for the subversion, degradation and eventual overthrow of Western society from his villa in Mexico until Ramon Mercader (probable agent of Stalin) put an ice pick through his skull in 1940.

And how we burned in the camps later, thinking: What would things have been like if every Security operative, when he went out at night to make an arrest, had been uncertain whether he would return alive and had to say good-bye to his family? Or if, during periods of mass arrests, as for example in Leningrad, when they arrested a quarter of the entire city, people had not simply sat there in their lairs, paling with terror at every bang of the downstairs door and at every step on the staircase, but had understood they had nothing left to lose and had boldly set up in the downstairs hall an ambush of half a dozen people with axes, hammers, pokers, or whatever else was at hand?... The Organs would very quickly have suffered a shortage of officers and transport and, notwithstanding all of Stalin's thirst, the cursed machine would have ground to a halt! If...if... We didn't love freedom enough. And even more – we had no awareness of the real situation.... We purely and simply deserved everything that happened afterward. — Aleksandr Solzhenitsyn, The Gulag Archipelago

85 to 90% of the foreigners helping the Chinese at the time of the Communist takeover were Jewish. This included the daughter of the founder of the brokerage firm Goldman Sachs, who left the comfort of her Park Avenue home to assist the Chinese. — Laura Goldman ☆, [‘A Jew in Mao’s China’](#)

I became aware of a strange paradox. While Jews were to be found among the most ardent and committed opponents of British Nationalism and British race-loyalty, they were at the same time the most passionate champions of nationalism and race consciousness on the part of their own people... — John Tyndall, BNP Founder

We must secure the existence of our people and a future for White children.

Because the beauty of the White Aryan woman must not perish from the earth.
— David Lane, The 14 Words.

Asia for the Asians, Africa for the Africans, White countries for everybody!

Everybody says there is this RACE problem. Everybody says this RACE problem

will be solved when the third world pours into EVERY white country and ONLY into white countries.

The Netherlands and Belgium are just as crowded as Japan or Taiwan, but nobody says Japan or Taiwan will solve this RACE problem by bringing in millions of third worlders and quote assimilating unquote with them. Everybody says the final solution to this RACE problem is for EVERY white country and ONLY white countries to “assimilate,” i.e., intermarry, with all those non-whites.

What if I said there was this RACE problem and this RACE problem would be solved only if hundreds of millions of non-blacks were brought into EVERY black country and ONLY into black countries?

How long would it take anyone to realize I’m not talking about a RACE problem. I am talking about the final solution to the BLACK problem?

And how long would it take any sane black man to notice this and what kind of psycho black man wouldn’t object to this?

But if I tell that obvious truth about the ongoing program of genocide against my race, the white race, Liberals and respectable conservatives agree that I am a nazihowantstokillsixmillionjews.

They say they are anti-racist. What they are is anti-white.

Anti-racist is a code word for anti-white. — The Mantra

Perhaps we are only forerunners. Twenty or even a hundred years may pass before the National Socialist idea is victorious; those who believe in the ideal today may die: but what is a man in the development of a people, of mankind.

The environment of either the Russian peasantry before the annihilation of serfdom, or of the mediaeval serfs, or of the Roman and Greek slaves was probably not any better, if indeed it was not worse, than the environment of the American negro before 1861 or at the present moment. Yet these slaves and serfs of the white race, in spite of their environment, yielded a considerable number of geniuses of the first degree, not to mention the eminent people of a smaller caliber. Meanwhile, excepting, perhaps, a few heavyweight champions and eminent singers, the American negroes have not up to this time produced a single genius of great caliber. These considerations and facts seem to point to heredity, without which all these phenomena cannot be accounted for. — Pitrim Sorokin, Chairman of the department of Sociology at Harvard, from his Contemporary Sociological Theories, 1929

This is our country. He who would take it from us, by force or by stealth, is our enemy. And it is our purpose – nay, it is our duty to our children and to their children and to our yet unborn posterity – it is our duty to use all feasible means to destroy him. — Revilo P. Oliver, 1968

Our truth is a very simple truth, but its implications are enormous beyond imagining. To the extent that we understand and accept it, it sets us apart

from all the people around us. Our acceptance of this truth marks us as the only adults in a world of children. For implicit in what we believe is our recognition and acceptance of our responsibility for the future of the universe. The fate of everything that will ever be rests in our hands now. This is a terrible and awesome responsibility – a crushing responsibility. If we were only men we could not bear it. We would have to invent some supernatural being to foist our responsibility onto. But we must, and can, bear it when we understand that we ourselves embody the divine spark which is the upward driving urge of the universe. — William L. Pierce, 1976

We must further understand that all races naturally regard themselves as superior to all others. We think Congoids unintelligent, but they feel only contempt for a race so stupid or craven that it fawns on them, gives them votes, lavishly subsidises them with its own earnings, and even oppresses its own people to curry their favour. We are a race as are the others. If we attribute to ourselves a superiority, intellectual, moral, or other, in terms of our own standards, we are simply indulging in tautology. The only objective criterion of superiority, among human races as among all other species, is biological: the strong survive, the weak perish. The superior race of mankind today is the one that will emerge victorious – whether by its technology or its fecundity – from the proximate struggle for life on an overcrowded planet. — Revilo. P. Oliver

The various races, when carefully compared and measured, differ much from each other – as in the texture of hair, the relative proportions of all parts of the body, the capacity of the lungs, the form and capacity of the skull, and even the convolutions of the brain. But it would be an endless task to specify the numerous points of difference. The races differ also in constitution, in acclimatization and in liability to certain diseases. Their mental characteristics are likewise very distinct; chiefly as it would appear in their emotion, but partly in their intellectual faculties. — Charles Darwin, The Descent of Man

Do not think that I have come to abolish the Torah or the Prophets; I have not come to abolish them but to fulfil them. ...no god can be omniscient, omnipotent, and benevolent. The proof is simple. Take one of the incidents, so common today, in which an obviously innocent little girl of five or six, old enough certainly to feel pain, is raped and blinded or raped and killed by one of the savages on which masochistic or sadistic British and Americans now dote. Now, if there is a god who oversees the lives of men and sparrows, did he foresee the conduct of the savage, whom he created and presumably endowed with a savage's instincts? If he did not foresee it, he is not omniscient. If he did foresee it, was he able to prevent the child's agony? If not, his is not omnipotent. If he had the power and did not use it, he willed the crime and he willed the suffering of the child, so he cannot be benevolent. — Revilo P. Oliver

I adopted it as my view that the Christian doctrine and the way of life it had given to the people was the basic cause of the whole evil, and that it served solely as a means for obtaining the Jew the mastery of the world... Christianity has emptied Valhalla, felled our sacred groves, extirpated our national image as a shameful superstition, as a devilish poison, and given us instead the imagery of a nation whose climate, laws, culture and interests are strange to us, and whose history has no connection with our own. A David or a Solomon lives in our popular imagination, but our own country's heroes slumber in learned history books. — George Wilhelm Friedrich Hegel

When we are inclined to boast of our position we should remember that we are but Gentiles, while the Jews are of the lineage of Christ. We are aliens and in-laws; they are blood relatives, cousins, and brothers of our Lord. Therefore, if one is to boast of flesh and blood, the Jews are actually nearer to Christ than we are, as St. Paul says in Romans 9. God has also demonstrated this by his acts, for to no nation among the Gentiles has he granted so high an honor as he has to the Jews. For from among the Gentiles there have been raised up no patriarchs, no apostles, no prophets, indeed, very few genuine Christians either. And although the gospel has been proclaimed to all the world, yet He committed the Holy Scriptures, that is, the law and the prophets, to no nation except the Jews, as Paul says in Romans 3 and Psalm 147, "He declares his word to Jacob, his statutes and ordinances to Israel. He has not dealt thus with any other nation; nor revealed his ordinances to them." — Martin Luther, That Jesus Christ Was Born a Jew, 1523

We have forced the Christians into wars without number. Wars have a special value for Jews, since Christians massacre each other and make more room for us Jews. Wars are the Jews' Harvest: the Jew banks grow fat on Christian wars. Over 100 million Christians have been swept off the face of the earth by wars, and the end is not yet. — Rabbi Reichorn✡

Christian theology is the grandmother of Bolshevism. — Oswald Spengler

During the war between the Germans and the Soviets, the Red Army was controlled by Jewish commissars whose jobs were to shoot soldiers from behind if they didn't show enough zeal against the Germans. It is of course a sad commentary that Russians armed with rifles and submachine guns didn't turn around and slaughter those treacherous vermin. Why didn't they? Probably for the same reason that we Americans have not yet wiped out our Jewish controllers. What is the common factor between us and the Russians that has protected the Jews? The factor is Christianity.

The Russians were neutralized by a combination of Jewish terror and Jewish Christianity. The faithful are instructed to submit and await salvation in the sweet bye-and-bye, meaning not in this life. Self-defense is not in the Christian instruction manual. Jesus forbade self-defense when attacked in the garden of Gethsemane. Jesus ruled out survival during his interview by Pilate. What the hell was he thinking, if we can credit the legend?

I will say it over and over: Christianity does not have a program for victory over the Jews, despite its alleged opposition to Judaism, despite its main

character's Jewish-directed execution and those of his early followers all of whom were Jewish rebels. No, it glories in the symbol of Jesus' execution, the cross! How insane is that? The cross represents the ultimate Jewish victory over their enemies, the Christians. The cross represents the death penalty for believing in Jesus. It represents surrender to the Jews. That is why I consider Christianity to be our deadliest enemy, deadlier than the Jews themselves. — JB Campbell, "[Jewish Policy](#)", August 11, 2011.

Mark well that in the Catholic Mass, Abraham is our Patriarch and forefather. Anti-Semitism is incompatible with the lofty thought which that fact expresses. It is a movement with which we Christians can have nothing to do. No, no, I say to you it is impossible for a Christian to take part in anti-Semitism. It is inadmissible. Through Christ and in Christ we are the spiritual progeny of Abraham. Spiritually we are all Semites. — Pope Pius XI, 1938

Because of our common roots, a true Christian cannot be anti-Semitic, ... Catholic Church firmly condemns hatred, persecution and all manifestations of anti-Semitism. — Pope Francis✠ at a meeting with a delegation of the International Jewish Committee on Interreligious Consultations, or IJCIC, 2013

We shall drive the Christians into war by exploiting their national vanity and stupidity. They will then massacre each other, thus giving room for our own people. — Rabbi Reichorn✠, in Le Contemporain, July 1st, 1880

Mrs. Van Hyning, I am surprised at your surprise. You are a student of history — and you know that both the Borgias and the Mediciis are Jewish families of Italy. Surely you know that there have been Popes from both of these house. Perhaps it will surprise you to know that we have had 20 Jewish Popes, and when you have sufficient time, which may coincide with my free time, I can show you these names and dates. You will learn from these that: The crimes committed in the name of the Catholic Church were under Jewish Popes. The leaders of the inquisition was one, de Torquemada, a Jew. — Woman's Voice, November 25, 1953

Religion, too, must be taught, and through this necessity we have labored. (As the Jew Karl Marx stated: "Religion is the opiate of the people.") With our control of the text book industry and the news media, we have been able to hold ourselves up as the authorities on religion. Many of our rabbis hold professorships in Christian theological seminaries. We are amazed by the Christians' stupidity in receiving our teachings and propagating them as their own. (This is one of the main reasons for the power and the control Jews have attained over white nations — the adopting of Jewish ways. As Henry Ford stated: "The Christian cannot read his Bible except through Jewish spectacles." (The International Jew Vol. IV, p. 238). As a result, Christians don't have God's word on a certain matter, they have the Jew's word.) Judaism is not only the

teaching of the synagogue, but also the doctrine of every 'Christian Church' in America. Through our propaganda [the Bible] the Christian Church has become our most avid supporter. This has even given us a special place in society, their believing the lie that we are the 'chosen people' and they, gentiles.

"These deluded children of the Christian Church defend us to the point of destroying their own culture. (Jews need not have their finger on every button that causes a destruction or a Judaization of Aryan civilization, as in many cases they have their proselytes or "Gentile fronts" [i.e. Christians] to do it for them.) This truth is evident even to the dullard when one views history and sees that all wars have been white fighting white in order that we maintain our control. We controlled England during the Revolutionary War, the North during the Civil War, and England and America during World War I and II. Through our influence of the Christian religion we were able to involve the ignorant white Christians in war against themselves which always impoverished both sides while we reaped a financial and political harvest. Anytime truth comes forth which exposes us, we simply rally our forces — the ignorant Christians. They attack the crusaders even if they are members of their own families. (Anyone who has been in the forefront exposing the truth of the Jewish issue can attest to this fact stated by Mr. Rosenthal.) — Harold Rosenthal☆, [The Harold Wallace Rosenthal Interview](#), 1976

The immediate and inevitable fact which forces us to come to grips with Christianity is that the mainstream Christian churches are all, without exception, preaching a doctrine of White racial extinction. They preach racial egalitarianism and racial mixing. They preach non-resistance to the takeover of our society by non-Whites. It was the Christian churches, more than any other institution, which paralyzed the will of White South Africans to survive. It is the Christian establishment in the United States which is preeminent in sapping the will of White Americans to resist being submerged in the non-White tide sweeping across the land.

Most Christian authorities collaborate openly with the Jews, despite the contempt and abuse they receive in return, and the rest at least follow Jewish policies on the all-important matter of race. The occasional anomaly—a Catholic bishop in Poland speaking out angrily against Jewish arrogance, a few Protestant groups in the United States expressing sympathy for oppressed Palestinians—does not invalidate the rule.

Beyond the immediate conflict between us and the Christian churches on racial matters there is a long-standing and quite fundamental ideological problem with Christianity. It is not an Aryan religion; like Judaism and Islam it is Semitic in origin, and all its centuries of partial adaptation to Aryan ways have not changed its basic flavor. It was carried by a Jew, Saul of Tarsus (later known as Paul), from the Levant to the Greco-Roman world. Its doctrines that the meek shall inherit the earth and that the last shall be the first found fertile soil among the populous slave class in Rome. Centuries later, as Rome was succumbing to an internal rot in which Christianity played no small part, legions of Roman conscripts imposed the imported religion on the Celtic and

Germanic tribes to the north. — William Luther Pierce, '[One of seven opposed ideologies: Christianity](#)', From Dr. William Pierce's Membership Handbook for the National Alliance.

With this I come to a conclusion and pronounce my judgment. I condemn Christianity; I bring against the Christian church the most terrible of all the accusations that an accuser has ever had in his mouth. It is, to me, the greatest of all imaginable corruptions; it seeks to work the ultimate corruption, the worst possible corruption. The Christian church has left nothing untouched by its depravity; it has turned every value into worthlessness, and every truth into a lie, and every integrity into baseness of soul.

This eternal accusation against Christianity I shall write upon all walls, wherever walls are to be found—I have letters that even the blind will be able to see... I call Christianity the one great curse, the one great intrinsic depravity, the one great instinct of revenge, for which no means are venomous enough, or secret, subterranean and small enough,—I call it the one immortal blemish upon the human race... — Friedrich Nietzsche, [The Anti Christ](#)

Christian ethics—the slave morality preached in the Roman catacombs—was like a time bomb ticking away in Europe: a Trojan horse brought inside the fortress, waiting for its season. — [William Pierce](#)

The Christian religion is a parody on the worship of the sun, in which they put a man called Christ in the place of the sun, and pay him the adoration originally payed to the sun. — Thomas Paine

I renounce all the deeds and words of the devil, Thunear, Wōden and Saxnōt, and all those fiends that are their companions. — [Old Saxon Baptismal Vow](#), This is clearly evidence of Jewish-Christian intolerance and persecution of native European Gods and spirituality.

To destroy German paganism, Charlemagne proclaimed harsh laws applicable to those Germans under his control who refused to be baptized into Christianity. Eating meat during Lent, cremating the dead and pretending to be baptized were all made punishable by death.

In 722, Charlemagne started a 32 year long campaign of what can only be described as genocidal evangelism against the Saxons under his control in western Germany.

The campaign started with the cutting down of the Saxon's most sacred tree, their version of the World Tree or Yggdrasil, (the symbol of the start of the earth and the source of all life in the ancient Indo-European religions) located in a sacred Saxon forest near present day Marburg.

Charlemagne quickly turned to violence as a means of spreading the Christian word. In 772, at Quierzy, he issued a proclamation that he would kill every Saxon who refused to accept Jesus Christ, and from that time on he kept a special detachment of Christian priests who doubled as executioners, and in every Saxon village in which they stopped, these priests would execute anybody who refused to be baptized.

Then in 782, at Verden, Charlemagne carried out the act for which he is most notoriously associated - he ordered the beheading of 4,500 Saxons in one day who had made the error of being caught practicing paganism after they had agreed to be Christians.

Twelve years later, in 794, Charlemagne introduced a law under which every third Saxon living in any pagan area was kidnapped and forced to resettle and be raised amongst Christian Franks. — Arthur Kemp, [March of the Titans](#).

Cattle die, and kinsmen die, and so must one die oneself. But there is one thing I know which never dies, and that is the fame of a dead man's deeds. — Hávamál

Long before Christianity came to northern Europe, the people there - our ancestors - had their own religions. One of these was Asatru. It was practiced in the lands that are today Scandinavia, England, Germany, France, the Netherlands, and other countries as well. Asatru is the original or native religious belief for the peoples who lived in these regions.

Asatru is thousands of years old. Its beginnings are lost in prehistory, but it is older than Christianity, Islam, Buddhism, or most other religions. The spiritual impulses it expresses are as ancient as the European peoples themselves - at least 40,000 years, and perhaps much older.

We are more like our ancestors than we are like anyone else. We inherited not only their general physical appearance, but also their predominant mental, emotional, and spiritual traits. We think and feel more like they did; our basic needs are most like theirs. The religion which best expressed their innermost nature - Asatru - is better suited to us than is some other creed which started in the Middle East among people who are essentially different from us. Judaism, Islam, and Christianity are alien religions which do not truly speak to our souls. — Stephen A. McNallen, [What is Asatru?](#), 1995

Heathenry does not have "commandments" from our Gods, for our relationship with the Heathen Gods is one of respect, honor, and kinship. Heathens do not grovel before their Gods, nor do they "worship" them as sheep to a shepherd, slaves to a master, or ignorant children to an all-knowing father. We are in awe of the glory of our Gods, but we do not teach our children that they are worthless and undeserving of the love of their Gods. — Temple of our Heathen Gods, [The Noble Virtues Defined](#)

Asatru, Asatro, Ásatrú, or Odinism through archetypal, spiritual naturalism is the diametric opposite of the anti-natural creeds of our age.

Ásatrú idolises, personifies or gives relateable conceptual life to our perception of our own nature and our natural genetic interests on a level that the average human mind can comprehend but also deeply understand.

Spiritual understanding and feeling through Asatru is not an abstract deployment of religious feelings but an understanding and feeling of our own sacred natural existences and an understanding of the natural forces that guide our evolution. — Nationalist Asatru News, [Ásatrú informed love for our folk: Love is our shield, love is our sword](#), June 11, 2014

I think Scandinavian Paganism, to us here, is more interesting than any other. It is, for one thing, the latest; it continued in these regions of Europe till the eleventh century; 800 years ago the Norwegians were still worshippers of Odin. It is interesting also as the creed of our fathers; the men whose blood still runs in our veins, whom doubtless we still resemble in so many ways. — Thomas Carlyle

Marriage & Sexuality

Fighting for gay marriage generally involves lying about what we are going to do with marriage when we get there — because we lie that the institution of

marriage is not going to change, and that is a lie.

The institution of marriage is going to change, and it should change. And again, I don't think it should exist. — Masha Gessen✧, Jewish lesbian activist and author of the critically acclaimed biography of Vladimir Putin, speaking at the [2012 Sydney Writers Festival](#).

If bestiality with consenting animals provides happiness to some people, let them pursue their happiness. — Frank Kameny✧, The Jewish "gay" pioneer revered by homosexual activists for his role in pressuring the American Psychiatric Association to effectively reclassify homosexuals as normal — now says that sex with animals is OK "as long as the animal doesn't mind."

Jews were also at the vanguard of the sexual revolution of the 1960s. Wilhelm Reich, Herbert Marcuse and Paul Goodman replaced Marx, Trotsky and Lenin as required revolutionary reading. ... Pacheco was one Jewish porn star who read Reich's intellectual marriage of Freud and Marx. ... In light of the relatively tolerant Jewish view of sex, why are we ashamed of the Jewish role in the porn industry? We might not like it, but the Jewish role in this field has been significant and it is about time it was written about seriously. — [Nathan Abrams](#)✧, The Jewish Quarterly, winter 2004

Philosophy

A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and carries his banner openly. But the traitor moves amongst those within the gate freely, his sly whispers rustling through...all the alleys, heard in the very halls of government itself.

For the traitor appears not a traitor; he speaks in accents familiar to his victims, and he wears their face and their arguments, he appeals to the baseness that lies deep in the hearts of all men. He rots the soul of a nation, he works secretly and unknown in the night to undermine the pillars of the city, he infects the body politic so that it can no longer resist. A murderer is less to fear. The traitor is the plague. — Marcus Tullius Cicero

To learn who rules over you, simply find out who you are not allowed to criticize. — Voltaire

None are more hopelessly enslaved than those who falsely believe they are free.— Johann Wolfgang von Goethe

You condemn as 'extremists' and 'fringe kooks' those who try to show you the

chains you are wearing. You don't want to be free. Responsibility and reality scare the hell out of you so you cling tightly to your own enslavement and lash out at any who seek to free you from it. When someone opens the door to your cage, you cower back in the corner and yell, 'Close it!' — Larken Rose, The Iron Web

There is nothing impossible to him who will try. — Alexander the Great

A happy life is impossible; the best that a man can attain is a heroic life. — Arthur Schopenhauer

If you worship your enemy, you are defeated. If you adopt your enemy's religion you are enslaved. If you breed with your enemy you are destroyed. — Polydoros

It is better to live one day as a lion than one-hundred years as a sheep! — Mussolini

Those who want to live, let them fight, and those who do not want to fight in this world where eternal struggle is the law of life, do not deserve to live. — Adolf Hitler

The power to cause pain is the only power that matters. The power to kill and destroy. Because if you can't kill. Then you are always subject to those who can. And nothing and no one will ever save you. — Enders Game
