

# The Grim Reaper

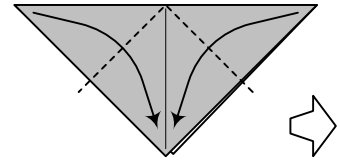

1

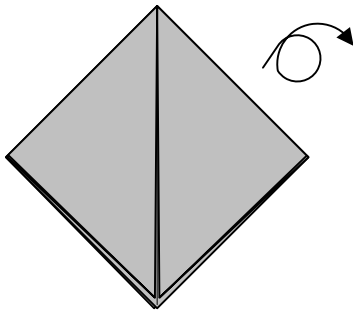

2

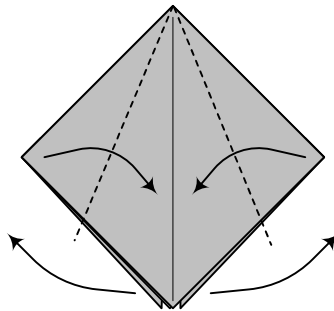

3

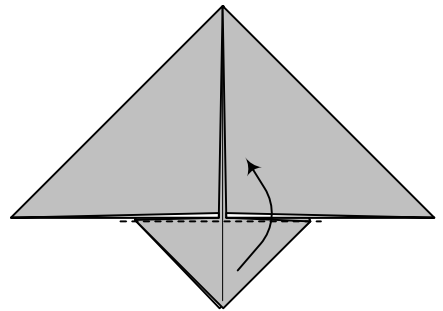

4

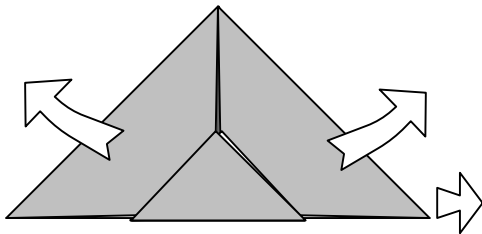

5

6

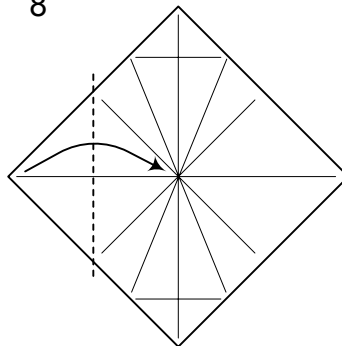

7

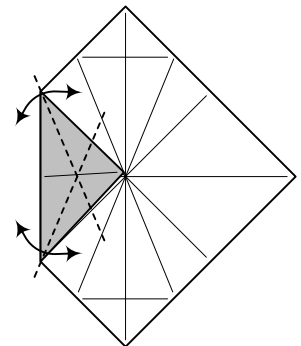

Unfold everything!

8

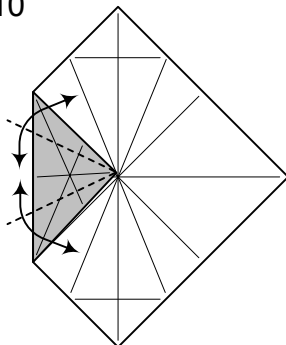

9

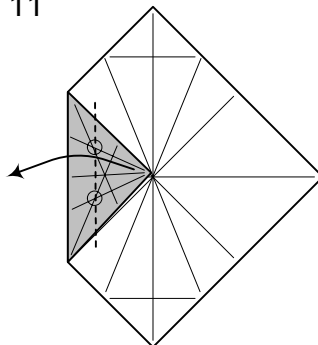

Crease single layer only.

10

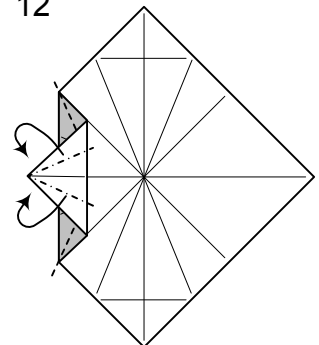

Crease single layer only.

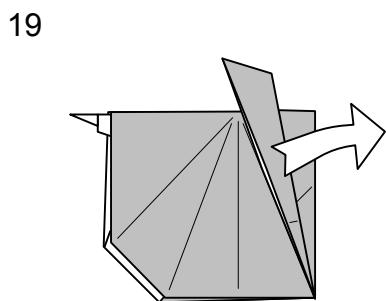

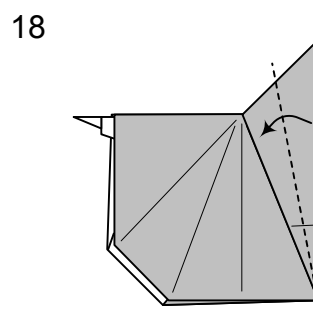

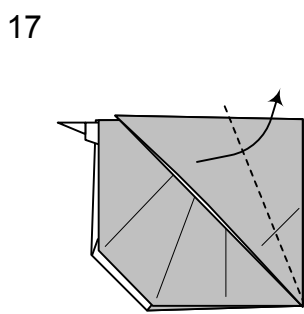

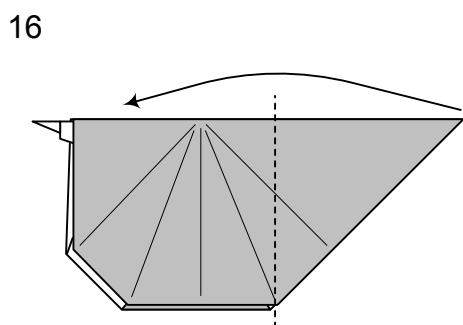

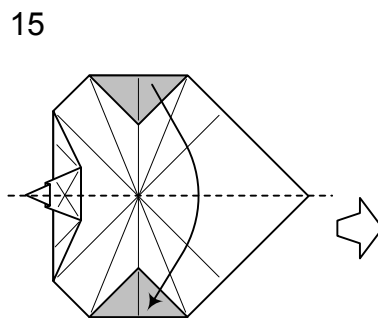

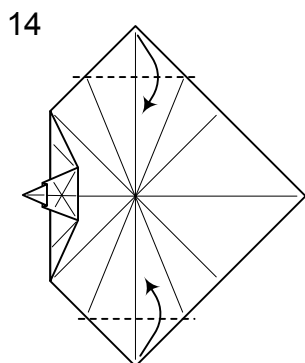

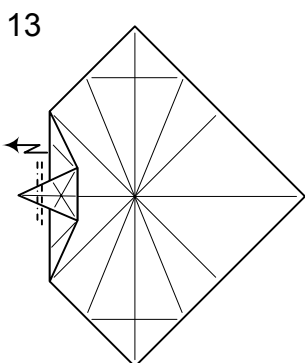

11

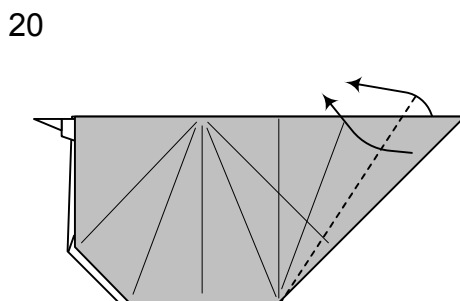

12

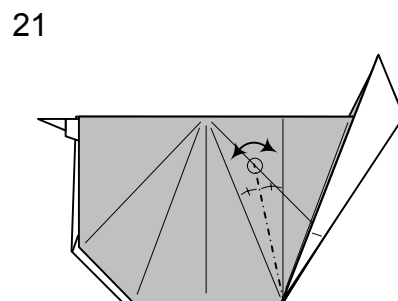

# The Grim Reaper

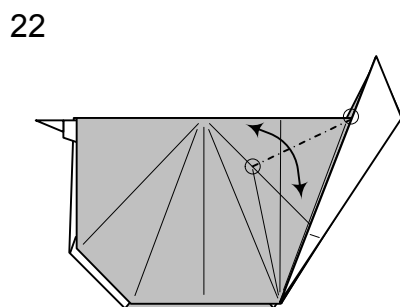

Unfold back to step 16.

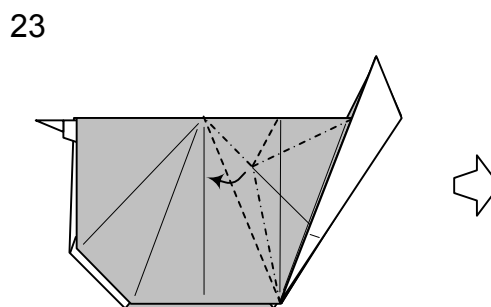

Outside reverse fold.

Mountain crease through all layers up to the circled point.

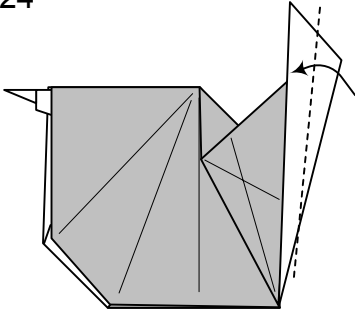

Another mountain crease.

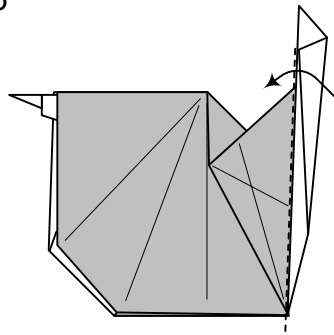

Rabbit ear on existing creases.

# The Grim Reaper

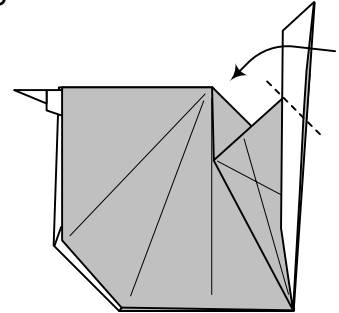

24

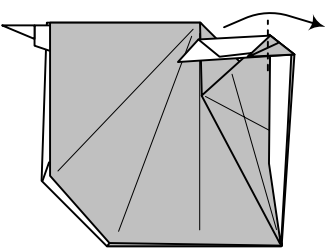

25

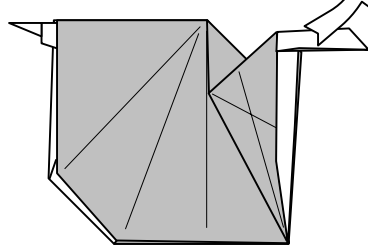

26

27

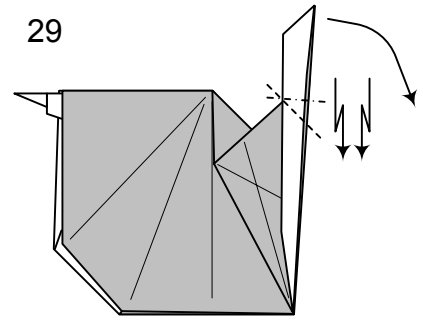

28

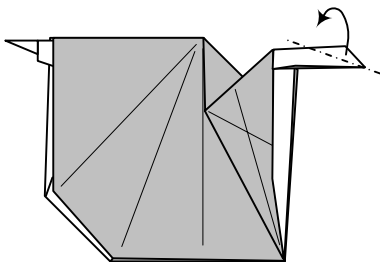

Unfold to step 26.

29

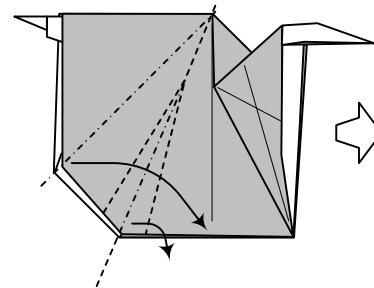

Crimp.

30

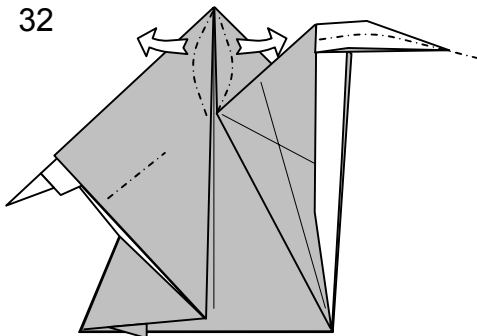

31

Fold arm using existing creases, but incorporate a small reverse fold on the top layer only. This will help the model to stand up.

32

Make soft, rounded creases to finish off.
